Women Business Owners Honored As Top Women Entrepreneurs

March 5, 2012 (MMD Newswire) -- In recognition of their achievements in the consulting business and excellent community leadership, Peggy McHale and Sandi Webster, principals of Consultants 2 Go (<http://www.consultants2go.com>), a women-owned consulting firm, has received the Enterprising Women of the Year award for 2012 by Enterprising Women magazine.

In order to be recognized by Enterprising Women, award recipients must demonstrate that they have fast-growth businesses, mentoring or actively support other women and girls involved in entrepreneurship, and stand out as leaders in their communities. Peggy and Sandi have been successful, individually and together, in developing college graduates as well as mentoring other potential or new business owners. "Mentoring is a critical component of our business. It is our way of giving back to the community and to all the other business owners who have helped us during the growth of our company," said Sandi Webster.

Many of the award recipients are also leaders in key organizations that support the growth of women's entrepreneurship. Peggy and Sandi won in the category of \$1 million and up to \$5 million in annual revenue. Winners will be recognized at the 10th Annual Enterprising Women of the Year Awards Celebration on March 12th at Office Depot headquarters and on March 13th at the Ritz-Carlton in Fort Lauderdale, Florida. McHale stated, "We are thrilled that this award is in Ft. Lauderdale as our newest office in Hollywood, FL was instrumental in our 2011 success. I strongly encourage women small business owners to attend this conference as they will receive a wealth of information to help their businesses grow."

"Enterprising Women of the Year honorees are so deserving of being in the spotlight," said Monica Smiley, publisher and chief executive officer of Enterprising Women. "Each has demonstrated that she has a thriving, growing business; she has mentored or given back to support other women in business, and she stands out as a leader in her community. We could not be more proud of the accomplishments of our honorees."
