

### Micro Grant Application:

<b>Applicant Information</b>	
<b>Name</b>	
<b>Phone number</b>	
<b>Email Address</b>	
<b>Mailing Address</b>	
<b>Grant Category: Select One</b>	
<input type="checkbox"/>	<b>Defensible Space Enhancement (Grant B)</b>
Projects that involve clearing flammable vegetation, creating defensible spaces around homes, and reducing wildfire risks on private properties.	
<input type="checkbox"/>	<b>Fuel Reduction and Vegetation Management (Grant A)</b>
Projects that focus on reducing the accumulation of hazardous vegetation, such as tree trimming, and weed removal.	
<input type="checkbox"/>	<b>Small Scale Vegetation Management Equipment (Grant B)</b>
One-time purchase of small equipment, including string trimmers, lawn mowers, clippers, and other vegetation management devices.	
<b>Prescribed Grazing (Grant A)</b>	
Hiring contractors to perform prescribed grazing projects on your property. Partially or completely funded pending project size. (Potential Grazing Contractors MUST be approved by the City prior to scheduling)	
<b>Project Description</b>	
<i>Briefly describe your project, including its goals, objectives, and the specific activities you plan to undertake. Be sure to highlight how your project will contribute to wildfire mitigation and vegetation management in our city.</i>	
<b>Project Location</b>	
<i>Provide details about the location of your project, including the address or coordinates if applicable. Explain why this location is critical for wildfire mitigation efforts in the city.</i>	

<b>Project Timeline</b>	
<i>Outline the expected timeline for your project, including start and end dates for each phase. If your project is ongoing, describe the schedule for ongoing maintenance or activities. If your project is an equipment purchase, state when the equipment will be used.</i>	
<b>Budget and Funding Request</b>	
Total Project Budget	
Amount Requested from the Micro-Grant Program	
<b>Budget Details</b>	
<i>Please provide a detailed budget for your project, including a breakdown of expenses. Clearly explain how the grant funds will be used and what specific costs they will cover.</i>	
<b>Project Partners and Collaboration</b>	
<i>Describe any partnerships or collaborations you have established or plan to establish for this project. This can include involvement from local organizations, community groups, or government agencies that support or participate in your project.</i>	
<b>Community Impact</b>	
<i>Explain how your project will benefit the community, enhance public safety, and contribute to wildfire mitigation and vegetation management in the city. Describe any expected long-term benefits.</i>	
<b>Project Sustainability</b>	
<i>Outline your plans for maintaining the results of your project in the long term, especially if it involves ongoing vegetation management. This can include community engagement, maintenance schedules, or educational initiatives.</i>	

<b>Experience and Qualifications</b>	
<i>Provide a summary of your experience or your organization's experience in carrying out similar projects or initiatives related to wildfire mitigation and vegetation management. This can be as simple or complex pending request type.</i>	
<b>Supporting Documents</b>	
<i>Please attach any relevant documents, such as project plans, maps, letters of support, and photos that can help in evaluating your application. List attachments here.</i>	
<b>Declaration</b>	
By submitting this application, I confirm that all information provided is accurate and complete to the best of my knowledge. I understand that the grant funds are intended for the purpose described in this application and will be used for wildfire mitigation and vegetation management as outlined.
