

NAPN POSITION ON CAPITAL PUNISHMENT

While we recognize that capital punishment is the direct taking of a human life and the majority of our members are opposed to it for that reason, NAPN does not take an official stand on capital punishment. It does not involve us professionally since we are not called upon to perform it in line with our duties and we will not engage as an organization in protest of its practice.

Adopted at general meeting October 27, 2000
Approved by general vote April, 2001
