HAVE YOUR SAY: Cotswold District Local Plan
DEADLINE TO OBJECT: TUESDAY 3rd NOVEMBER

Quick Step-by-Step Guide for Mickleton Residents

To ensure our community's voice is heard, local volunteers have created pre-filled template forms mapping out the major topics and planning concerns impacting our village. These templates do the heavy lifting for you, making it simple and straightforward to submit a robust, legally valid objection to the Planning Inspector.

🔢 The 10 Campaign Topics

There are **10 different forms** available, each covers a different topic. Look at the top of the page to find the one you want to fill in, and complete as many as you like. On most forms there are 2 versions (forms 1 to 7) which make the same points in a slightly different way. Just choose the one you prefer.

- **Form 1:** Schools and Healthcare
- **Form 2:** Landscape and Vistas
- **Form 3:** Flooding and Drainage
- **Form 4:** Masterplan and Historic Layout
- **Form 5:** Traffic and Highways
- **Form 6:** Health, Welfare and SEN protections
- **Form 7:** Water Supply
- **Form 8:** Historic Environment
- **Form 9:** Education Infrastructure & School Travel
- **Form 10:** Medical Infrastructure & Public Health

✍️ How to Fill in Your Form

Step 1: Personal Details

- Write your **First name, Last name, Address, Postcode**, and **Email**

Step 2: Choose Your Status

- In Section A, tick **"I am responding as myself"** and skip straight to Section C.

Step 3: Check the Topic & Tick "No"

- Each form is pre-filled with a specific topic reference. Simply look at Section C and tick **"No"** where it asks if you consider the plan sound.

Step 4: Personalise Your Impact (IMPORTANT)

- In Section D, read the text. **Circle** the specific points that matter most to you.
- **Add your own words:** At the bottom, **try and write at least one sentence** about how this affects your family or property. *This personal note makes your form completely unique so the Inspector cannot dismiss it as a generic copy.*

Step 5: Choose Your Hearing Option

- At the bottom, tick **"Yes"** or **"No"** to indicate if you would want to speak at the official examination hearing if invited. This doesn't commit you to attending but gives you the option or allows someone to speak on your behalf e.g. MAID.

The Appendix applies to forms you submit via post or by email. It forms part of your submission and should ensure that your comments are correctly recorded against the referenced Policies and Chapters. This can not be done on the CDC Portal as they have introduced a drop-down menu that forces choice of a single Policy or Chapter.
