

YAHOO Over 55's Bushwalking Club

WALK DETAILS

Walk Name	Kittys Gorge & Munda Bididi Trail
Meeting Place	Jarrahdale, Munro Street carpark.
Grade	Medium
Distance (Approx)	16km
Details Updated	August 2023
Reference Maps	Munda Bididi Trail Map 2, Jarrahdale to Nanga Land Management 1:50,000 series, 2133-3, Jarrahdale Kitty's Gorge & Stacey's Track mud maps
Walk Start	Munro Street carpark, Jarrahdale.
Comments	Some steep rocky areas along Kitty's Gorge. A slightly longer, harder walk (??km) is possible by crossing Gooralong Brook near the gauging station, but the bridge is very basic. There is a ford just before the gauging station if water levels are low. (See Kittys Gorge mud map, a recce would be required.)
