Walk Description

Ref.	Pt. to Pt.	Cum.	Directions
1	0.0	0.0	Cross Randall Rd on to forestry track heading SSW through bush
2	0.3	0.3	Turn off left (east) on to old railway formation parallel to track, once past scrubby areas.
3	0.2	0.5	Clearing, follow northern boundary track
4	0.4	0.9	Track meets Randall Rd, follow Randall Rd uphill.
5	0.1	1.0	Veer right off Randall Rd on to forestry track
6	0.6	1.6	Cross over culvert, after about 100m find old railway formation in the bush on the LHS, parallel to Randall Rd. Follow formation SE.
7	2.3	3.9	Formation meets Herold Rd (Bibbulmun Track) Turn right. (Note old log siding 200m before Herold Rd)
8	2.0	5.9	Monadnocks campsite (Morning tea)
9	0.2	6.1	Head north on access road past toilet until it turns east, then head north 50m, then west 100m and then south 100m to meet up with the Mt Randall track after rocky area.
10	1.0	7.1	Top of Mt Randall. Admire the views from the bare rock area to the south.
11			Head back north on the bare rock area then turn west down between standing rocks.
12	0.1	7.2	Veer right at small flat rock area and find single track heading south.
13	0.4	7.6	Large rock formations on LHS. Worth a closer look.
14	0.3	7.9	T junction with new forestry firebreak track, turn right.
15	1.3	9.2	End of firebreak. Continue north west through bush.
16	0.5	9.5	Faint cross track. Turn right onto cross track. (NE)

17	0.3	10.0	Large monadnock visible through trees on LHS. Turn north off track and skirt the west side of the monadnock, heading north.
18	0.2	11.0	Just after crossing a small creek find forestry track skirting the monadnock and follow north. Good lunch spot on rocks soon after joining the track.
19	0.5	11.5	Cross track, keep straight on.
20	0.5	11.9	Turn left along track on south side of pine plantation.
21	0.6	12.5	Track joins from left, keep straight on.
22	0.5	13.0	Turn right along east side of native forest.
23	0.5	13.5	Cleared area, find old rail formation heading west. (Used this formation on outward walk) (Ref. 2)
24	0.2	13.7	Cross back on to forestry track on LHS when rail formation gets scrubby.
25	0.3	14.0	Back at car parking
