Walk Description

Pt To Pt	Cumulat.	Description
0.0	0.0	For long walk head back over Pinjarra – Williams Rd and pick up track heading south. (For short walk head east out of the parking area on the Bibbulmun Track to Chadoora campsite and return.)
2.9	2.9	5 way junction. Take second track on the left. There is a log milling site 50m on the RHS.
0.2	3.1	Shield tree CX68/4 on RHS, then Y junction. Veer right.
0.3	3.4	“Tree” sign on RHS. Stay on main track.
0.6	4.0	Track to left. Keep straight on.
2.3	6.3	Track to left. Keep straight on.
0.1	6.4	T junction. Turn left on Swamp Oak Road.
0.1	6.5	Turn right onto track along Twenty Six Mile Gully.
1.3	7.8	Faint track to left. Keep straight on.
0.2	8.0	T junction, turn right
0.7	8.7	Cross over Murray Road. (formed gravel)
0.4	9.1	Track to right. Keep straight on.
1.8	10.9	Cross Pinjarra – Williams Road. Shield tree CZ71/5. Bluegum plantation on RHS until Chadoora road.
0.7	11.6	Crossroad, keep straight on.
1.2	13.0	T junction, Chadoora Road. Turn right.
0.6	13.6	Turn left off Chadoora Road. Ignore first track off to the left.
0.1	13.7	Y junction. Veer left. There are a few old Bibbulmun markers along this track. (overgrown and fallen trees on this section.)
0.9	14.6	T junction. Cross straight over through bush 50m to rail formation, turn left and follow railway north then north west.
2.3	16.9	When railway curves round to head west, head north through bush and across Swamp Oak Brook. (Alternatively, before railway curves (green tape 2014) head north east across creek and find track on other side, follow north west to T junction, turn left, cross creek and join BT, turn right.)
0.2	17.1	Turn right (east) onto forestry track. This is joined from the left by the Bibbulmun Track after 100m or so.
1.1	18.2	Chadoora campsite. Return west along the Bibbulmun Track.
8.8	27.0	Car parking area
