- Enforcing Judgments and Debts

The Law Office of J.D. Cuzzolina, Esq. represents clients in various types of creditors' issues, including foreclosure and collections. Businesses throughout California look to us for guidance and assistance when a debtor files for bankruptcy. When stakes are high, a creditor is urged to seek competent legal counsel. A creditor does not have to simply absorb loss without first seeking the opportunity to mitigate and minimize that loss. There are many avenues by which California creditors can recover partial or total amounts owed by clients who are filing Chapter 7, Chapter 11, Chapter 12 or Chapter 13 bankruptcy. The higher the stakes, the more worthwhile it is to examine all possible defenses.

- Attorney Fees Collections

The Law Office of J.D. Cuzzolina, Esq. has successfully collected on outstanding attorney fees. You worked hard for your clients, let us work hard for you. We have helped many attorney professionals collect the attorney fees they're owed.
