

☐ #2 Heating Oil ☐ Propane

CONTRACT OPTION #1

This plan is based on the below fixed price (which does not go higher or lower) and runs from October 1st to May 31st

$$\frac{\text{\# of gallons}}{\text{\# of gallons}} \times \frac{\$ \text{ price per gallon}}{\text{price per gallon}} = \$ \frac{\text{TOTAL DUE}}{\text{TOTAL DUE}}$$

CONTRACT OPTION #2

This plan is based on the below cap price and runs from October 1st to May 31st

Deliveries are billed at the cap or cash price, whichever is lower at the time of delivery (this plan protects you if the price goes down). Capped pricing requires purchase of downside protection insurance (DSPi) for twenty-five cents per gallon., not to exceed \$350.00.

$$\frac{\text{\# of gallons}}{\text{\# of gallons}} \times \frac{\$}{\text{price per gallon}} = \frac{\$}{\text{(subtotal)}} = \frac{\$}{\text{DSPI 25¢/gal}} = \frac{\$}{\text{\textbf{TOTAL DUE}}}$$

CONTRACT OPTION #3

This plan is based on the below cap price and your seasonal consumption.

This plan runs from October 1st to June 30th and deliveries are billed at the cap or cash price, whichever is lower at the time of delivery. The first payment is due September 15th and on the 15th of each month thereafter through June.

Capped pricing requires purchase of downside protection insurance (DSPI) for twenty-five cents per gallon., not to exceed \$350.00 due at signing.

Contract is subject to cancellation if payments are 30 days past due.

$$\frac{\text{\# of gallons}}{\text{\# of gallons}} \times \frac{\$}{\text{price per gallon}} = \frac{\$}{\text{(subtotal)}} \div \frac{10}{\text{\# of months}} = \frac{\$}{\text{MONTHLY PAYMENT (round up)}}$$

$$\frac{\text{\# of gallons}}{\text{\# of gallons}} \times \frac{25\text{\cent}}{\text{DSPI}} = \frac{\$}{\text{TOTAL DUE}}$$
