Cut both squares around outer edges

Fold Outer First:

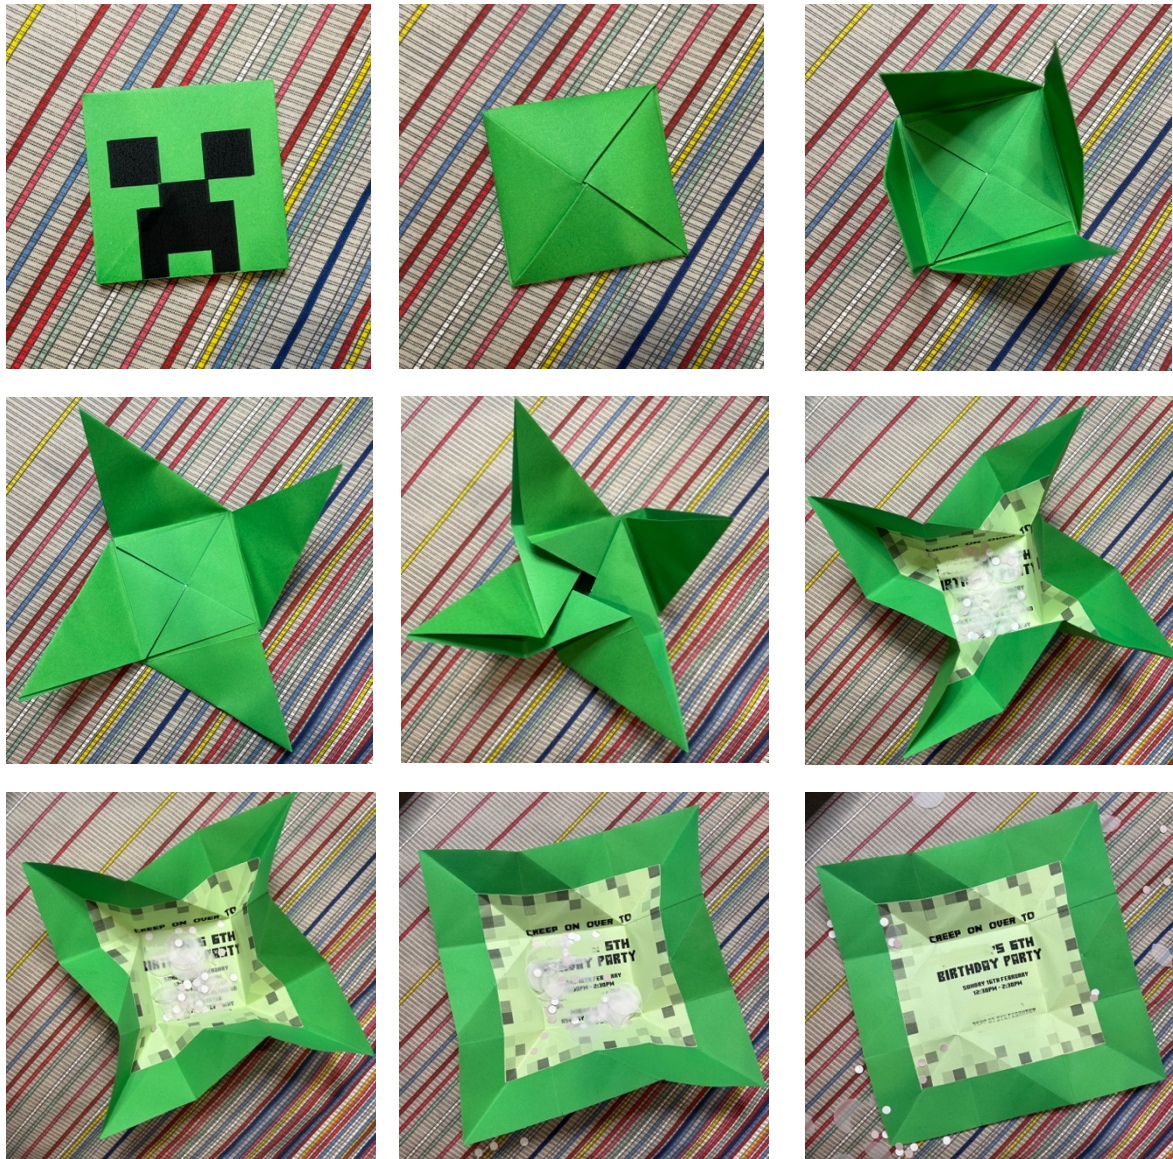

I have included another document showing each of the “folding” steps as per the Instructions below

<https://christines-crafts.com/how-to-make-quick-and-easy-origami-seed-packets/>

Unfold and then stick inner invite centred and refold

You can then fill each invite with large and small confetti

I punched large circles from “tracing paper” and small circles from grey card

“Outer” and “Inner” templates attached.
