The Naked Patient: Beyond the Operating Room is a podcast about plastic surgery. More than that, though, it is a deep dive into empowerment that is plastic surgery.

**Welcome to The VIBE with your  
Kelly Cardenas**

On this podcast you will enjoy engaging raw interviews, wisdom based commentary and live events. Kelly will make you laugh, think and sometimes tear up as he taps into the concept that your VIBE is not the energy that you bring into the room, it is the way that people feel when you leave.
