Each year, the New England Chamber Choir (NECC) distributes printed programs at five performances throughout Connecticut. We estimate the number of concert attendees each year to be more than 1,000. Advertisements appear in three different program booklets throughout the concert season: **Music for Christmas** in December (two performances); **Winter's End** in March (two performances); and **Music for Spring** in May (one performance).

To be included in the program books for each of these concerts, please submit your **camera-ready** advertisement (preferably a PDF file), along with this form, by **November 1**.
