

Dear Friends of SLAM Youth Wrestling:

SLAM Youth Wrestling is a non-profit 501(C)(3) organization consisting of over 70 wrestlers ranging in ages from 5 to 15 years old. Our team supports both young male athletes as well as young female athletes, as they strive to learn and grow with the sport of wrestling. SLAM Youth Wrestling athletes are SNWA Champions, as well as, Nevada State Champions. Being a premier wrestling organization, we are many times required to travel to other states to seek the level of competition to push our athletes. We will compete in Utah, California, Arizona, and Colorado. Members of our team will have opportunities to travel to additional states throughout the US.

SLAM Youth Wrestling seeks to push our athletes to compete at the highest levels of not only competition, but also in the classroom. Through proper leadership these athletes receive critical one on one training that will help them in leadership roles within our organization, their schools and in their communities. Our team members are expected to be role models, and always to set examples amongst their peers.

SLAM Youth Wrestling is a self-sustaining organization which exists purely through wrestler fees, fundraising and sponsorships. As a sponsor, you help team members receive top-tier professional instruction, acquire needed training equipment, and off-set facility costs.

As a donor, your company will receive promotional benefits, based on your sponsorship level. The details of the sponsorship levels are given in the enclosed document. All donations are tax deductible, and no donation is too small.

We appreciate you considering our program for sponsorship. Any questions or concerns may be sent to [slamwrestlingclub@gmail.com](mailto:slamwrestlingclub@gmail.com) or please phone:
