Design Teenage

Live The Change
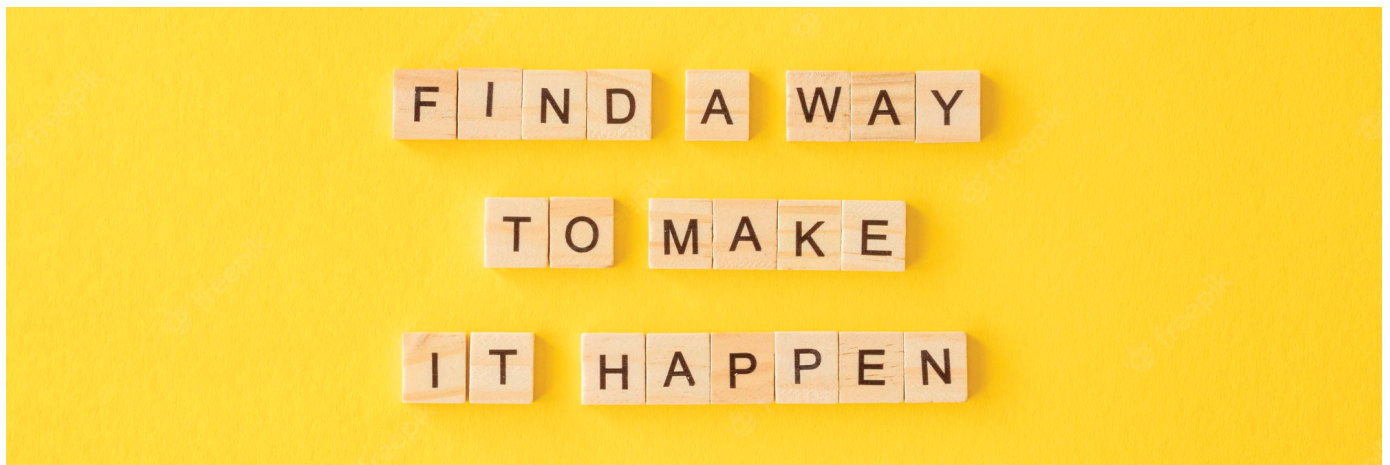

ABOUT US-

"WE DON'T ONLY TEACH DESIGN BUT WE PREPARE YOU FOR LIFE"

"Success is peace of mind which is a direct result of self-satisfaction in knowing you did your best to become the best you are capable of becoming"- This is the mantra Design Teenage follow for their students. We believe-The key is not the will to win. Everybody has that. It is the will to prepare to win that is important, The institute's primary vision is to make students aware who they are? and accordingly Design Teenage help each and every student to achieve their goals. our utmost importance is given to each student and their learning through regular courses, updated study materials, mock tests, and one-on-one doubt clearing session. At current we provide regular course & crash courses, and self preparation materials according to the need of a student.

The institute welcomes Design (NIFT, NID, UCEED), Architecture (NATA & B.ARCH) career aspirants to start their dream career and to join us in their exciting journey.

BEST COLLEGES IN INDIA FOR DESIGN & ARCH.

NIFT is one of the best colleges for designing in India, It is a well-known institution in the country known for its excellent fashion education. It governs the NIFT entrance examination in order to admit candidates to various UG and PG programmes in the field of Design and Fashion Technology. The exam has 2 phases, In the first phase there are two exams- CAT (Creative Ability Test) & GAT (General Ability Test), then comes the situation test for qualified students.

National Institute of Design (NID) is internationally acclaimed as one of the finest educational and research institutions for Industrial, Communication, Textile and IT Integrated (Experiential) Design. NID offers professional education programmes at Bachelors and Masters level. The entrance exam happens in phases, The first phase consists of CAT & GAT then comes studio test and then the interview.

BEST COLLEGES IN INDIA FOR DESIGN & ARCH.

UCEED is a national-level exam conducted to offer admission to the students in various B. Des courses. As per the UCEED latest exam pattern , the entrance test consists of two parts - Part A and Part B. UCEED Part A is a computer-based exam and Part B will be held in pen and paper mode.

The weightage of questions in each part is – part A: NATs (18), MSQs (18), and MCQs (32); Drawing (1)
Design is an art and there several careers to explore them, students who are keen about studying in an IIT and also love the world of creativity, we are here to transform your passion in profession.

NATA & JEE B.Arch are the two exams for any Aspirant wiling to pursue Bachelors in Architecture .
Exam pattern for both is slightly different from each other. NATA comprises of two sections and student need to go through PCM along with Aptitude and Theory of drawing, whereas JEE is having 3 sections Aptitude , Mathematics and Physical pen and paper drawing. Nata is mainly considered as the entrance exam for pan India colleges whereas JEE is limited to only colleges under JOSAA Counselling.
We understand it's a bit difficult for students to go through two different pattern so here at Design Teenage we try to give students the best practical examples and combine the common part of syllabus for both exams.
