

Funds Approved for Canton Township Subdivision Road Repairs

The Wayne County Commission approved an intergovernmental agreement between the Charter County of Wayne and the Charter Township of Canton not to exceed \$773,500 for the Local Partnering Initiative for township roads for the Local Road Improvements Program to allow for pavement repairs for various subdivision locations at their April 7 meeting.

This agreement will provide Canton Township with \$773,500 from the county along with a \$773,500 match from Canton Township for the Local Partnering Initiative.

The project will be implemented in two phases, with Group 1 consisting of concrete pavement repairs, including paving of gravel surfaces and any necessary sidewalk repairs, at the following subdivisions: Glengarry Village; Century Farms; Fairways West; Kirkway; Pickwick Village; and Windsor Park. Group 2 will consist of asphalt pavement repairs, including paving of gravel surfaces, regrading of adjacent roadside ditches and any necessary sidewalk repairs, at the following subdivisions: Central Park; Cherry Knoll; Cobblestone Ridge; Echo Forest; Heritage Farms; Huntington Place; Meadow Villages; Northwoods Place; Parkview Estates; Poplar Ridge; Riverwoods; Sierra Heights; Stratford Park; and Woodcreek.

Funds Approved for Canton Township Roads Affected by Alkali Silica Reaction (ASR)

On April 14, the Wayne County Commission approved an intergovernmental agreement with the Charter Township of Canton not to exceed \$1,000,000 for improvements to local roads and pedestrian pathways affected by alkali silica reaction. Canton Township's Board of Trustees approved this agreement on January 13, 2026, via Resolution No. 2026-3. Canton Township will contribute \$4,787,000. The total project is in the estimated amount of \$5,787,000.

Canton Township's alkali silica reaction-affected roads repair will include the replacement of deteriorated concrete pavement and pedestrian pathways, drainage structure adjustments, underdrain construction, Americans with Disabilities Act-compliant sidewalks, and together with necessary related work at different locations within the Township. The project will include the reconstruction of local roads and pedestrian pathways in 12 subdivisions in the Township, namely: Cavalier Village, Fellow Creek Estates, Forest Brook, Fox Run, Glengarry Village 3, Glengarry Village 4, 5 and 6, Kingston Estates, North Point, Nowland Estates, Riverpark, Sunflower Village, and Willow Homes.

Canton Center Rd Culvert Rehabilitation Project

The Wayne County Department of Public Services will begin structural rehabilitation (Phase 1) on the Willow Drain under Canton Center Road in Canton Township. The project location is between Sheldon Center Road and Joy Road, along the east edge of the Plymouth-Canton high school campus.

The project work is scheduled to start on Monday, April 27, 2026, barring any unforeseen delays or inclement weather, and will take approximately two weeks to complete. The work will require the use of shoulder closures but otherwise the road will remain open to through traffic during the project.

A separate project (Phase 2) to complete the rehabilitation work is tentatively scheduled for Summer 2026.

Flaggers and traffic regulators will be present as needed. Please use caution while traveling through work zones. For more information, contact the 24-hour customer service center at 1-888-ROADCREW (1-888-762-3273) or visit www.waynecounty.com.
