MISSED CLASSES AND MAKE UPS

MPA DOES NOT offer credits for classes missed. We encourage all students to utilize make ups if they have missed classes. Students may make up their missed classes in any class of the same level or lower level they are currently enrolled. They may utilize any style of class. This is a great opportunity for students to try a new style of dance they have been wanting to try, but are not sure if they want to commit an entire session.

Make ups must be used by the following dates.

Session I missed classes	Make ups may be used in Session I or Session II
Session II missed classes	Make ups may be used in Session II (make ups will not roll over to Summer)
Summer Session missed classes	Make ups may be used in Summer Session (make ups will not roll over to Session I of the following year)

Attendance is taken through our online system. If you are unsure of how many makeups your child has, you may view absences on through your Parent Portal.

If you are afraid that your child may miss too many classes in a session, we do offer the following Drop In rates for all classes. Students utilizing drop in classes are not eligible to participate in our Winter Showcase or Spring Recital.
