Dear Mr. Johnson:

The CLEET Course Catalog number authorized by this letter is valid for **three (3)** calendar years from the beginning of the calendar year in which the catalog number was issued. Since the Continuing Education training cycle is based on the calendar year, this guarantees that the catalog entry renewal dates always coincide with the end of a continuing education training cycle. Note that **you must request a new catalog number if the lesson plan or the number of credit hours changes prior to expiration.** Attached is a current listing of all your organization's course catalog entries.

Since CLEET no longer maintains the lesson plans for courses appearing in the CLEET Course Catalog, **it is necessary that you maintain current course materials (for each course) on file at your department for the entire period the course is listed.** If you have any questions regarding this catalog entry, future courses, or other applicable standards, please contact Tami Burnett at (405) 546-0159.

Any print advertisement of this class must display this disclaimer:

"This class has been cataloged by the Council on Law Enforcement Education and Training for ____ hours of mandatory continuing education credit. Regarding any law enforcement concepts, practices, methods, techniques, products, or devices as might be taught, promoted, or otherwise espoused in outside schools or seminars, there is no intent, expressed or implied, that listing the course in the CLEET Course Catalog indicates or in any way conveys 'CLEET approval' of such concepts, practices, methods, techniques, products, or devices, unless such approval is explicitly stated by CLEET."

Sincerely,

Jesus E. Campa
Executive Director
