Legion Collegiate Academy's Beta Club to Host Trunk or Treat

Legion Collegiate Academy, a public charter high school in York county, will partner with members of the school's Beta Club to host a family friendly Trunk or Treat for students, family, and friends on **Tuesday, October 31st, 2023 from 5:30-7:00 pm**.

In addition to sweets and treats, the event will include games and food trucks for the attendees to enjoy. There will be free glitter tattoos, an estimation jar full of candy corn which will go to the lucky winner, swag bags full of Halloween treats and school-themed goodies, as well as a costume contest. Food truck vendors include Los Tacos for those who love Mexican fare and Candy Apples Inc. for those with a sweet tooth.

This event will help Beta Club members earn valuable community service hours required for both membership in this elite club that recognizes students with outstanding academic records and for graduation at LCA. Students who attend LCA are required to fulfill twenty-five hours of community service as a graduation requirement. Members of LCA's Beta Club must meet that number each year. Legion prides itself on the caliber of its students and their determination to succeed, whether on the court, in the field, or in the classroom.

"Come enjoy a beautiful evening with our amazing students," says Crystal Johnson, English Department Chair at Legion Collegiate Academy. "There will be food, candy, family, and fun for everyone!"

Legion Collegiate Academy is located at **3090 Long Meadow Road, Rock Hill, SC, 29730**. For more information please contact Crystal Johnson at (803) 620-6040 with any questions.
