

ICC TABLE TENNIS ACADEMY PROGRAMS

ICC offers programs across four categories and the groups are divided not on the basis of age but on the basis of skill.

- ICC Kidz (Beginner's Program)

Venue: 148 Mahoney's Road, Forest Hill

Cost: \$200 (8 weeks)

Time: 2 PM to 3.30 PM & 3.30 PM to 5 PM Saturdays.

ICC Kidz program is a foundation program for kids aged between 7-12. During the program, the kids will be taught the basic skills involved with table tennis and the program runs during the school terms.

This program acts as our scouting ground, where kids who show promise will be offered the chance to join our ICC Development Squad, which features players who are preparing for and competing in national and state-level competitions.

- ICC Development Squad (Intermediate Program)

Venue: Croydon Table Tennis Centre, Kilsyth on Saturday and Forest Hill on

Thursday (Only for selected players)

Cost : 25\$ per session

Time: 5.30 PM - 8 PM on Saturday & 5 PM TO 7 PM on Thursday

ICC Development squad features players who have already learned the basic skills and are preparing for state and national competitions in the under 9,11 and 13 categories. Admission to this group is only after assessment or through invites from the beginner's programs.

The players under this program are encouraged to sign up for private 1:1, 1:2 and group sessions to Fastrack their development process and the training sessions go on throughout the year and are not limited to school terms.

- ICC Performance Squad (Advanced Program)

Venue: not limited to Croydon Table Tennis Centre, Kilsyth

Cost: undisclosed

Time: Weekly timetable will be communicated to the players.

ICC Performance Player Program is designed to be an individually tailored training program for competing players. Players will benefit from the amount of coaching that caters to their specific needs. Private lessons are the most effective way of addressing player needs, combined with a weekly layout to refine their skills. With different subsidised packages to choose from, players will benefit from the most cost-effective attention-based training available.

Admission to this group is exclusive to professional players and if you feel like you fit the criteria, you may contact us regarding enrollment.
