

# WINTER MINISTRY REPORT

OCTOBER-DECEMBER 2024

## MINISTRY HIGHLIGHTS

### 30 YEARS OF GOD'S FAITHFULNESS

Every year, when I put together our winter ministry report, it is our ICM family's time to reflect on the various ministries carried out in the life of our community, as we aspire to live out our mission and vision. One of the special blessings of this year was the celebration of ICM's 30th anniversary. We got to reflect on the past 30 years of God's faithfulness. We thank the Lord for this milestone and His amazing providence over the 30 years. It also provided an opportunity to reconnect with some of our founding members, donors and supporters. It was such a blessing to have some of them join us and to hear about their time with ICM. We are so thankful to our staff and volunteer team for all their sweat and tears that made this event a success. In addition, we were blessed by the amazing life testimonies of our community members. If you wish to watch the testimonial videos, please visit [390\\_30 Years of God's Faithfulness | Inner City Ministries HK](https://www.youtube.com/watch?v=390_30_Years_of_God's_Faithfulness_|_Inner_City_Ministries_HK) | - YouTube.

“Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.”

**Matthew 19:14**

The Kid's fun fair and Community Christmas outreach were also profoundly remarkable. As always, I am grateful to all the volunteers, supporters and prayer partners that make our ministry possible, and I am very so honored to lead this wonderful team of passionate people. May the Lord be glorified in all our efforts as we thrive to honor Him in our work and love for one another.

## LOVE YOUR NEIGHBOR AS YOU LOVE YOURSELF.

We have continued to host outreach programs like distribution of rice to street cleaners and providing cooked food for the people living under the flyovers. We also endeavored to encourage some drug addicts to join the drug rehabilitation center. Our prayer is that those receiving counselling and mentoring would change their life and come to faith in Christ. In the past four months, over 800 KG of rice and over 200 rice boxes have been distributed in the community.

## **COMMUNITY CHRISTMAS OUTREACH 2024**

Another meaningful outreach ministry has been our Community Christmas Outreach program that happens every year in December at St. Andrew's church. This year over 100 kids and over 300 community members have joined this event to hear and celebrate the Gospel message. The Christmas outreach program was filled with Christmas carols, dance, and Gospel dramas and life testimonies. Over 300 Christmas gifts were distributed to our kids and community members at this event.

Each year celebrate our Kid's club program with a big celebration of fun and games. In the Fun Fair our kids to have fun through playing booth games, getting dressed up in attractive costumes and redeeming gifts with their stamps. Again, we must give thanks to the hard-working efforts of our staff and volunteers, without them we would not be able to provide these precious moments for our kids. The kids were encouraged to bring along new friends and family members and over 120 kids joined our Kid's fun fair in November.

## PROVIDING HELP FOR NEW MOMS >>>

Baby milk powder distribution – This year we were able to help some of our new moms by providing milk powder to help their expenses. We all know that baby formula is expensive. Over 100 cans of formula were provided for these wonderful moms and babies.

## CANTONESE LESSONS >>>

At the end of October, 9 ladies and one man completed the Cantonese class provided by ICM and C&MA Hebron church. Our plan for the next year is to provide basic skills of reading and writing Chinese characters.

**Moms in prayer and sewing ladies Christmas celebration** – It was so heartwarming to see our ladies from the community come together for this joyful event where we share laughter, joy and off course the gift of love and food. Over 30 ladies have joined the event in last Christmas.

**Youth and young adults Christmas celebration** – Every year we hold a Christmas party for our youth and young adults. This also provides us an opportunity to invite new people so that we can build that trusting relationship in Christ. This year we had over 30 young people come together to celebrate Christmas over various activities.

**Counselling sessions and brothers fellowship with Operation Dawn rehabilitation center** – In the past three months, over 10 sessions of counselling and fellowship have been provided amongst the recovery brothers and drug addicts. Some of the brothers are already a part of our regular young adult's ministry. We hope to always provide a safe and friendly environment for them where they have a sense of belonging because they are part of the family.

# JESUS CAME TO SEEK AND SAVE THE LOST

Hi my name is Ninam, I'm 14 years old I was born and raised in Hong Kong, and I've been a part of ICM for a pretty long time. I started going to ICM when I was a kid and had joined with my other friends who still goes to ICM with me now, I was not much of a believer as a kid as I was just having fun playing around, eating and even dancing but as I kept attending and growing up at ICM, I learned more and more about God each time I went and I would say I had made a better relationship with GOD now thanks to ICM.

God has given me such beautiful and loving parents who support and encourage me to walk in God's way. God has also given me such wonderful and funny friends to be with in ICM, I was able to join ICM summer camp "Kingdom Warriors" with my friends this year and we also had the blessing to volunteer in different ICM programs as well!

I feel so much blessing from God to be able to meet all of the amazing people in ICM, especially the volunteers who are helping me in the After School Tuition program. Not only they're helping me in academics but they are always encouraging me to new things about God as well, and I know that God is giving, kind, loving and most importantly for me, He is a miracle worker and he continues to change my life. ICM is always there for us even when we don't wanna talk to anyone or if we're just feeling sad, I always feel the love and care from God whenever I'm at ICM.
