

## Private Lesson Programs

**Private sessions are personalized, in-home training sessions designed to help you and your dog work together toward your specific goals. I come to your home and coach you step-by-step, ensuring you have the skills and confidence to continue the training between sessions. These sessions are ideal for building clear communication, addressing behavior concerns, and creating real-life results in your dog's everyday environment. These sessions also come with the tools I use during the session for you to continue practicing the skills you learn in the session.**

## **Puppy Program**

**4-6 Sessions**

**starting at \$1000**

Give your puppy the best possible start. This program focuses on building healthy habits, confidence, and foundational skills during the most important stage of development. We cover crate training, potty training, basic manners, food-lure obedience, and how to prevent common nuisance behaviors before they become habits. Owners learn proper handling techniques and how to support a growing pup through new experiences.

**Tools Included: Slip lead, treat pouch**

## **Basic On-Leash Program**

**4-6 Sessions**

**starting at \$800**

**Designed for dogs who need structure and clarity on leash, this program teaches loose-leash walking, basic obedience, and polite house manners. We also work thresholds to create calm, respectful behavior around doors, gates, and transitions. Perfect for owners looking to build everyday reliability.**

**Tools Included: Slip lead, treat pouch**

## **Intermediate On-Leash Program**

**6-8 Sessions**

**Starting at \$1400**

**For dogs who need a stronger foundation and more real-world reliability, this program expands on basic skills and adds a dependable on-leash recall, place training, and public manners. You'll learn how to communicate clearly with your dog in busy environments and reinforce calm, confident behavior.**

**Tools Included: Slip lead, long line, treat pouch**

**Post-Training Support: Access to Monthly Packwalk**

## **Advanced Off-Leash Program**

**8-10 Sessions**

**Starting at \$1800**

**This program is built for owners who want true freedom and control. Your dog will learn strong off-leash recall, reliable obedience, calm thresholds, and the ability to hold a place command even with distractions. We also work in public settings to ensure your dog can perform anywhere.**

**Tools Included: Slip lead, long line, treat pouch**

**Post-Training Support: Access to Monthly Packwalk**

## **Behavior Modification Program**

**11-14 Sessions**

**Starting at \$2400**

**Created for dogs struggling with reactivity, aggression, anxiety, or other behavioral challenges, this program blends foundational obedience with targeted behavior-modification strategies. We focus on leash skills, calm thresholds, place, handling, muzzle conditioning, and a custom plan tailored to your dog's specific needs. Owners receive hands-on coaching to build confidence and consistency at home.**

**Tools Included: Slip lead, long line, treat pouch, muzzle**

**Post-Training Support: Access to Monthly Packwalk**

## Day Train Programs

**These programs are perfect for busy pet parents who want their dog to receive structured training, mental enrichment and personalized care while they are away. These programs are also ideal for clients who may not be able to physically participate in training sessions but still want consistent, professional support for their dog.**

**Your dog learns real-life skills in a positive enriching environment- so you come home to a progress you can see.**

## **Basic On-Leash Day Train**

### **4 Day Trains + 2 Sessions**

**\$1000**

**A great option for busy owners. Your dog trains directly with a professional during the day, then you receive personalized sessions to maintain the progress at home. Skills include loose-leash walking, basic obedience, house manners, and threshold work.**

**Tools Included: Slip lead, treat pouch**

**Post-Training Support: Access to Monthly Packwalk**

## **Intermediate On-Leash Day Train**

**6 Day Trains + 3 Session**

**\$1500**

**This program blends hands-on professional training with owner coaching to create fast, reliable results. Your dog learns leash manners, obedience, thresholds, strong on-leash recall, place, and public-access skills. You'll receive follow-up session to ensure everything transfers smoothly into your daily routine.**

**Tools Included: Slip lead, long line, treat pouch**

**Post-Training Support: Access to Monthly Packwalk**
