

OASIS OF HOPE

Hallo friends

TRANSFORMING LIVES

In August, we hosted a back-to-school party and birthday celebration for children born in August. This event provided a rare opportunity for the children to be celebrated and supported with cakes, hot meals, and donated clothes and shoes. The celebration, funded by People Bridge, was a significant boost for the children, who often go unnoticed. We look forward to another celebration in December, including an early Christmas event for the Oasis of Hope community.

STORIES OF GIVING

Student Reunion and Support

With schools closed for three weeks, we were thrilled to reunite with students from boarding schools. During this time, we engaged in fellowship and addressed issues such as drug abuse, peer pressure, and LGBTQ concerns. We provided guidance and counseling, creating a supportive environment for these vulnerable children.

Clark Education Centre Resumption

The Clark Education Centre resumed classes last week. We are pleased with the ongoing transformation in students' lives, which reflects positively in their behavior and learning. Alongside education, we are instilling Christian values, teaching them to love one another and prepare for future leadership.

Saturday Bible Class

Our Saturday Bible class continues to be a fundamental part of Oasis of Hope, in alignment with Mark 16:15. This program ensures that children are included in the gospel message and nurtured in Godly ways.

Back-to-School Party

We organized a back-to-school party and birthday celebration for children born in August. Held in a nearby open space, the event featured:

- **Cakes:** Provided for the children
- **Hot Meals:** Served to attendees
- **Clothes and Shoes:** Distributed, donated by well-wishers

The event was funded by People Bridge, and we are planning another celebration in December, which will include an early Christmas event for the Oasis of Hope community.
