

SEEING WITH EYES OF FAITH

GOSPEL REFLECTIONS *by Michele Hall*

For the Ride Home..... a Gospel Reflection for families

What did you hear today in the Scriptures?

In today's readings, we learn that God sees differently than the world does. He does not look at appearances, He looks at the heart. He brings light where there is darkness and He opens our eyes to truth. In the Gospel about the man born blind, we learn that Jesus heals the man, but we also need to understand there was a different kind of blindness that Jesus was dealing with because of the other people mentioned in the Gospel called Pharisees. The Pharisees did not believe in Jesus. They questioned everything that Jesus did. They had a spiritual blindness and did not see God's true love. On the other hand, the blind man trusted in Jesus and was healed completely.

What do we need to do? We need to have Faith! Faith means trusting even when we do not understand. This week thank Jesus for one way He has helped you "see" His love. What are some ways you could "see" that love, maybe through a friend, or something beautiful or an answered prayer? You can also be that special light this week toward a classmate, a teammate or family member.
