

## **For the Ride Home..... a Gospel Reflection for families**

**What did you hear today in the Scriptures?**

**In today's Gospel, we learn about a meeting between Jesus and a woman at a well.** In those times, water was only gotten by visiting a well. Indoor plumbing did not exist. This is one of the most beautiful stories in the bible. Jesus was tired from his journey, sits by the well and asks this woman for a drink of water. The woman was surprised that Jesus would even speak to her. People of different backgrounds were not friends and never spoke to one another. We see that Jesus was different. He wanted to show her that no matter what she did in her life, she could receive mercy and forgiveness. Jesus offers Himself to us with the greatest of love that never ends. He always takes care of us.

**This week, how can you bring others to Jesus? How would you try to do that?**

Think of a few ways and then give it a try!
