

From a traditional Irish evening and a group photo in Dublin's Phoenix Park, to a farewell dinner and overnight stay in Cabra Castle, the HC Travel Club enjoyed 9 glorious days in Ireland. Rich history and culture, breathtaking scenery, delicious food (and drink!), warm and friendly people all contributed to a memorable trip for 33 enthusiastic travelers.

The highlight of the tour - a medieval banquet in Knappogue Castle with Fr. Michael chosen as "Lord of the Manor." His loyal subjects agreed - never has there been a wiser, more compassionate ruler!
