Romans 15:13

Dec. 2022

Dear Holy Cross Parish,

My name is Kyra. I was baptized at Holy Cross, but my family moved away when I was little. This week, when I visited my grandparents, I decided to attend daily mass. I'd never been before. I was nervous, but sure. I felt the gentle tug of our Lord to go.

When I got to Holy Cross, I was reminded almost instantly of what a beautiful community is built within the Lord's house there. Thank you for loving and living like Jesus, for giving this weary traveler rest, and for helping my grandmother receive the Eucharist.

There are lots of kids my age who have lost their faith. I think that may be because they didn't go to church at a place Holy Cross — one filled to abundance with God's love and mercy. Thank you for all you do.

- Kyra
