# VACATION ADVENTURES

*by Father Michael*

Sometimes on a vacation you plan an activity that includes a certain level of excitement or adventure. Other times adventure seeks you out. Last week I traveled with a few former colleagues who I used to work with when I was chaplain at the high school. Our travels included Las Vegas. No, no one in the group hit the jackpot.

I booked a morning excursion with a company called Rail Explorers. It is based about 40 minutes outside the city. We were on a specially built pedal railcar that holds four passengers. In addition to our pedal power, there is also an electric motor that does the lion's share of the work. The trip includes traversing a stretch of about five miles of rail, turning around and then returning to the station. It was a hoot. The car travels only about 20mph, but being that close to rails feels like you are flying along. The wind trying to blow our hats off and the clickity-clack of the rails truly made for a fun outing. Just about the time it was starting to get a little boring, the trip came to an end. It was a great way to begin our day.

Another day, our plans included doing some hiking on Mount Charleston. Mount Charleston is located northwest of the city. One advantage of including it in a summer itinerary is that it is often 20-30 degrees cooler than Vegas. We began our way up the mountain and stopped at the Visitor Center to learn more about the area and the hiking options that were available. While we were there, we heard a few rumbles of thunder but didn't think too much about it.

We began our ascent in our rented mini-van across the highest pass on the mountain to get to our destination. No sooner were we on the road when a light rain began. Before long that became a steady downpour, then a deluge, and before we knew it, we were facing blinding rain and hail. This was progressing from a pleasant drive, to an adventure, to downright dangerous. On two occasions we had to pull off the road as it did not feel safe to continue. Rivers of mud began crisscrossing the road. We could see bright sky in the direction we were heading and trusted that moving forward was the safest option. A few other cars passed us while we were stopped, so we knew we were not alone. The most dangerous stretch of road was about a hundred yards long, it was covered in a couple inches of muddy water, and there was an obstacle course of rocks that had rolled down from the hills. As soon as we had gotten out of this narrow notch, the rain stopped and the skies cleared. I have a deeper appreciation for how people suddenly find themselves in trouble in a flash flood. While I don't think we were ever in imminent danger, it was far more than we bargained for. In spite of it all, I can say it was a grand adventure.

I hope your summer is holding a few safe but exciting adventures for you. Enjoy.

**The Sacrament of the Anointing of the Sick will be offered after the 9:30 Mass this weekend.**

## Our Consolation Ministry Needs Your Help!

*Blessed are those who mourn.*

The Ministry of Consolation assists parish families at a time of loss. Planning a meaningful and appropriate funeral for a grieving family can be a daunting task. The Consolation Minister guides a family through the steps of planning the readings and music for the funeral Mass. The minister is also present at the funeral to assist with some of the logistics.

The Ministry of Consolation is in need of additional ministers to assist with this work. If you feel you have the gift to work with families at this difficult time, please call the Parish Office — we would like to speak to you about this important work.

# LITURGY BYTES

## More Saints

At the end of July, the Church celebrated the feast day of Sts. Joachim and Anne. Saints Joachim and Anne are the parents of the Blessed Mother Mary and the grandparents of Jesus.

As we read in the Scriptures, particularly the Gospels of Mathew and Luke, a family history of Jesus is furnished tracing His ancestry. However, it is interesting to note that Jesus' mother's family is neglected. We know they existed, but we know very little factually about them. The heroism and holiness of these people is inferred from the whole family atmosphere around Mary in the Bible. We do see in her a fulfillment of many generations of prayerful persons, especially herself steeped in the religious traditions of her people. The strong character of Mary in making decisions, her continuous practice of prayer, her devotion to the laws of her faith, her steadiness at moments of crisis, and her devotion to her relatives—all indicate a very close-knit, loving family.

Joachim and Anne represent a quiet series of generations of people who performed their duties, practiced their faith, and established an atmosphere for the coming of the Messiah, even though they remain a bit obscure. Joachim and Anne are the patron saints of grandparents, and their feast day should remind grandparents today of their responsibility to establish for future generations the traditions of both their faith and their family.

The feast also has a message for the younger generations to be aware of older people's perspective, experience, and wisdom. Their feast is celebrated on July 26<sup>th</sup>. Sts. Joachim and Anne are perfect examples for us and powerful intercessors. Below is the prayer for the feast of Sts. Joachim and Anne, asking their intercession, that we may be drawn closer to God.

***O Lord, God of our Fathers, who bestowed on Saints Joachim and Anne this grace, that of them should be born the Mother of your incarnate Son, grant, through the prayers of both, that we may attain the salvation you have promised to your people. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever. Amen.***

Have a blessed, safe, and healthy week! *~Michele Hall*

*This Bereavement Group is for anyone dealing with grief. All are welcome.*

*We will meet for six Thursdays beginning September 8<sup>th</sup> and 15<sup>th</sup> from 1:30 to 3:30 PM. No meeting September 22. We resume on September 29, October 6, 13, and the last day is October 20.*

# TAKE A CHANCE!

## Summer Cash Sizzle

For many years the Cash Calendar was a part of the Holy Cross routine. This fundraiser provided some additional financial support to the parish. In addition, many parishioners enjoyed participating in it. Unfortunately, it was one of the many parts of parish life that was lost to COVID. At this time, it is unlikely that we have enough parishioners attending Mass on a weekly basis to support a monthly drawing, and so, we present the “*Summer Cash Sizzle*.” This is a similar idea, however it is offered on a quarterly basis.

- \$10 per ticket
- Tickets are available for purchase through June, July and August.
- Drawing will be held August 31st.

Because we anticipate smaller participation, there is a different pay scale:

- \* 1 Prize @ \$250
- \* 2 Prizes @ \$100
- \* 10 Prizes @ \$50
- \* 15 Prizes @ \$25

- This formula was based upon selling 250 tickets @ \$10 each. If more than 250 tickets are sold, the number of prizes will be increased. *(In the event the response is strong, we will resume a monthly drawing as soon as possible.)*
- Tickets will not be sold after Mass. Please use the tear-off tickets below. You may return your entries by placing them in an envelope and depositing it in the basket on weekends, or returning them to the Parish Office.
