# GOODBYE TO CHRISTMAS

*by Father Michael*

Although stores are probably putting out their Easter stuff already, here in the Church we continue to celebrate Christmas through today, which is the Baptism of the Lord. Traditionally, on this day at Holy Cross we have a special Mass in which we invite all the families who had a baptism within the last year to come back for a special blessing. Unfortunately, that tradition has been sidelined this year because of the Covid crisis. The good news, however, is that since June we have been able to go back to celebrating Baptism. We schedule up to four families at a time, with each family being able to bring 25 guests. Since we reopened, 51 babies have been baptized. We look forward to the baptism anniversary Mass returning next year.

I am deeply grateful to all those who gave so generously for Christmas. As I announced last weekend, our grand total was only slightly behind what it has been previous years. The collections themselves on Christmas Day were modest. But the number of donations mailed in was significant. We received a few checks from corporations. Some businesses have a donation matching program with its employees. We are appreciative to all those who have named Holy Cross as a recipient in these programs. However, many times the check we receive does not identify the employee, so we are unable to thank the person individually.

The distribution of vaccines continues. There have been questions raised about the morality of these vaccines. The problem is that in researching and developing (and sometimes producing) the vaccine, fetal tissue is used in the process. This tissue is often procured from abortions. Moral theologians and the Bishops have carefully examined this complicated question. The short answer is that Catholics may freely receive the Pfizer or Moderna vaccines without any significant moral implication. If you wish to read the formal statement which describes in detail how this decision was reached, I invite you to look at the website for the United States Conference of Catholic Bishops, [www.usccb.org](http://www.usccb.org). You can find the summary document which is titled "Moral Considerations Regarding the New Covid-19 Vaccines."

It looks like we may be facing a few tough weeks ahead. Please be cautious and make prudent decisions in your gatherings. If you are not feeling well, please stay home. As a reminder, the obligation to attend Sunday Mass has been suspended since last spring and will not likely change until we are well out of this crisis. In other words, God understands if you feel it is best to remain at home.

Christmas is now behind us. We have about five weeks to get ready for the beginning of Lent. Onward we go.

### **Parents' Thanksgiving**

*Loving God, we give you thanks for the gift of our child. We ask your blessings on our family.  
Confirm a lively sense of your presence with us, and grant us patience and wisdom, that our lives may  
show forth the love of Christ, as we bring up our child to love all that is good.*

*We ask this through Christ our Lord. Amen*

# YOU MAY WANT TO...

Consider a donation of Altar Bread and Wine for a week, especially if your request for a date for a Mass has been taken. Your special occasion or loved one's name will be printed in the bulletin.

Or you may want to make a monetary donation to Holy Cross in memory of a loved one or in honor of someone living. We now have a Book of Memorials and a Book of Honorees. Your donation will be used to purchase needed items for our church. Holy Cross has a practice of not engraving names on benches and other items, but your donation will be recorded in the appropriate book for all posterity.

Our Parish Outreach also accepts donations in memory or honor of someone and has lovely cards that you can send.

For more information, please visit or call the Parish Office at 631-265-2200 x122.

# PARISH OUTREACH

## Homebound and Hospitalized

Are you, or someone you know in the parish, homebound or anticipating an operation or treatment for cancer? We in Holy Cross are eager to know in a more personal way our parishioners who are homebound or hospitalized. Often, we do not hear of a person's illness or inability to join us for Sunday Mass. Please call 265-2200 x113 or stop by the office to let Parish Outreach know of these parishioners who are so special to us. We really depend on you.

Parish Outreach sends cards, on behalf of our parish, to those who are ill or hospitalized. Our homebound folks receive friendly telephone calls by Outreach volunteers to keep up the connection and to assess ways the parish can be present to these loved parishioners. At Advent and Easter time a volunteer will visit them and bring a gift from the parish community. Eucharistic Ministers are also available to bring communion to the homebound who desire it.

These are some of the ways Holy Cross reaches out to the homebound and hospitalized. Please help us by contacting Parish Outreach or a member of the Pastoral Team if you know of anyone we can serve in their time of need.
