

For the Ride Home..... a Gospel Reflection for families

What did you hear today in the Scriptures?

In the Gospel today, we heard how the Devil tried to trick Jesus. This is like what happens to you. Sometimes we are tricked maybe to cheat a little, lie every so often, because no one will know. Who can help you at these times?

Most important to always keep in mind: JESUS WILL SHOW YOU THE WAY!

How do you think this can happen in your life?

- Try this week by praying more. Choose a time each day to pause and pray.
- Try being nice by going out of your way to be kind to someone at work or school, or even with one of your family members.

Remember, Lent is a time for hope and Jesus showed us how to fight off things in our life that tempt us. Be strong because Jesus is there to help, guide and love you. Are you ready to give it a try?
