

# FROM DEATH TO LIFE

## GOSPEL REFLECTIONS *by Michele Hall*

### ***For the Ride Home..... a Gospel Reflection for families***

#### ***What did you hear today in the Scriptures?***

**We are drawing closer to Easter which is the greatest time in the Church year.**

**The readings today are preparing us for the Resurrection.** They also remind us that Jesus wants to bring us happiness even when we feel down, or fearful or even hopeless. We learn from the Gospel story that God brings life out of death, not just for Jesus' friend Lazarus, but for each of our hearts when we feel sad or far away from Him.

#### ***How can we live this out this week?***

This week try to make time to say a special prayer for someone in your family or in a friend's family that is in heaven. If you are unsure, ask one of your parents for a suggestion. If you do not know this person, maybe they have a picture to show you.

***Positive thought for the week:*** *Jesus is stronger than death. He will never abandon us.*
