## HE SAW AND BELIEVED

*Weekly Reflection by Fr. Michael*

This week's title comes from the final line of the gospel which is proclaimed on Easter Sunday. It refers to John, who is described as the beloved disciple. At this point in the resurrection story, he is the only one who understands that Jesus is risen. Peter, who accompanied John to the tomb, does not come to that same conclusion. Others who saw the empty tomb thought someone had taken the body of Jesus. Many saw what had happened, but for the moment, it is only John who believes. The others would come to that same realization, but it would take time to get there. John has this insight because he is looking at what is before him with the eyes of faith.

There are times when people will look at a particular situation and arrive at different understandings as to what is happening. An expertise in a particular area will allow that person to see certain details that others might not appreciate. Knowledge about the people involved will influence the way they are seen in the eyes of others. The focus or state of mind of a viewer will impact what they observe. We as a people who proclaim to be Christian are called to look at life from a unique perspective. To look at life through the eyes of faith enables a person to see the wondrous and, at times, miraculous way in which God's Spirit is unfolding. We all have that ability. Coming to the place of having that perspective does not happen overnight. We need to be nurtured in our faith and discerning in how we live. It requires that a spirit of love and understanding be deeply woven into the heart of the person.

There are some stories from scripture that give insight into the lives of Mary and Joseph. But there is much that is not said. This lends itself to using our imagination in wondering what life was like in raising Jesus. Certainly, once Jesus began his public ministry, he had the ability to see the suffering of others. He understood when someone was in pain from a physical ailment. He acknowledged when people faced unjust situations or were the recipients of judgement or ridicule. He readily identified those whose intent was insincere or self-serving. Perhaps the reason why Jesus had the ability to see as he did was that he was taught by his parents to look deeply into the hearts of people. He had the proper foundation to profoundly live out the commandment of love.

This year our parish is building on the theme of "Called to Compassion." If we ever want to be instruments of compassion we need to be able to see with clarity what is happening around us. Sometimes the truth is not immediately evident. Sometimes we need to look between the lines to understand fully what is happening. This kind of perspective is not developed speedily or by only looking at outward appearances. It takes years to be able to see as Christ did. There is a lot happening around us in our world. We cannot be people who refuse to see the dignity of other people. We are a people who are called to look at what is before us through the lens of love and compassion. It is only the love of Christ that can dispel hatred.

Those who see with the eyes of Christ become instruments of hope and change in our world. All of us have the ability to do this. May we, like John, look at life in such a way that we see the power of the Risen Christ around us. If we are rooted in the love of God, then good and holy things can happen. Look and believe, we share in a great gift of life. Happy Easter.

## Practice of Charity

*(Excerpt from "At Home with the Word 2026")*

The empty tomb is a sign of hope and new life. It tells us Jesus Christ defeated death. Fresh air fills the tombs of our hearts where sin once decayed our souls. Jesus is risen! Alleluia! Because of this, we are raised in baptism and share the hope of eternal life. What are we to do with this gift? Like Mary, we are charged with sharing this news. St. Paul tells us to "think of what is above, not of what is on earth." Our focus lies beyond the empty tomb. We are to announce the good news of the resurrection. Where do we start? This week:

Pray in thanksgiving for the gift of the resurrection. Share this news with others with a banner display outside your home or on social media.

Plan acts of kindness to honor the resurrection; help others empty their spiritual tombs.

Help others, especially in your family, to understand what Christ's resurrection means for us.

DIOCESE OF ROCKVILLE CENTRE  
OFFICE OF THE BISHOP

Easter 2026

Dear Brothers and Sisters:

Happy Easter to you and your families!

This Easter Sunday, Easter Octave, Divine Mercy Sunday and Easter Season we continue to pray and contemplate our Lord's Resurrection appearances, and we give thanks for Pope Leo XIV and his worldwide spirit of Catholic mission.

In his Cycle of Catechesis on the Resurrection of Christ, Pope Leo writes: "The Resurrection of Jesus Christ is an event that one never finishes contemplating and meditating on, and the more one explores it, the more one is filled with wonder, drawn in as if by an overwhelming yet fascinating light. It was an explosion of life and joy that changed the meaning of reality itself, from negative to positive; yet it did not happen in a striking way, much less a violent one, but gently, hidden, one might say humbly." (October 22, 2025 Audience)

Pope Leo recognizes that there is much sadness in the world – "a feeling of precariousness, at times profound desperation." We think especially of the daily crosses and trials of those from war-torn and violence-ridden areas of the world.

The Holy Father then reflects on the despair of the two disciples on the Road to Emmaus. Their hearts burn and their joy is restored as the Risen Lord explains the Scriptures to them and they recognize Him in the breaking of the bread. In this way, the Paschal Mystery gives us hope and strength in every trial and circumstance.

Pope Leo concludes: "May the unexpected joy of the disciples of Emmaus be a gentle reminder to us when the going gets tough. It is the Risen One who radically changes our perspective, instilling the hope that fills the void of sadness. On the paths of the heart, the Risen One walks with us and for us. He bears witness to the defeat of death and affirms the victory of life, despite the darkness of Calvary... He alone makes the impossible possible!"

May the Light of the Risen Christ illumine our path to holiness on earth and our path to eternal life and happiness with God in Heaven.

Sincerely yours in the Risen Lord,

Most Reverend John O. Barres  
Bishop of Rockville Centre

*Oh, dear Lord, when I first learned  
about your Crucifixion,  
fear was in my heart.  
Knowing what they did to you  
is hard to understand.  
I was worried that we lost you  
but trusted, this was planned.  
Now, I understand the joy  
your painful path would bring.  
Now, I know your sacrifice  
that we rejoice and sing.  
Behold the joy of Easter,  
the miracle we were shown.  
Rejoice your Resurrection,  
our faith forever sown.*

# Spring Cash Fling

For many years the Cash Calendar was a part of the Holy Cross routine, and this fundraiser provided some additional financial support to the parish.

*At this time, it is unlikely that we have enough parishioners attending Mass on a weekly basis to support a monthly drawing, so we will continue as we have done for the past few years with our quarterly drawing.*

- **\$10 per ticket**
- **Tickets are available for purchase March, April, and May.**
- **Drawing will be held June 1st**

**This is the pay scale which will be offered:**

- **1 Prize @ \$250**
- **2 Prizes @ \$100**
- **10 Prizes @ \$50**
- **15 Prizes @ \$25**

This formula was based upon selling 250 tickets @ \$10 each.  
*If more than 250 tickets are sold, the number of prizes will be increased.*

**Please cut out and use the tickets below.**

You may return your entries by placing them in an envelope and depositing it in the basket on weekends, or returning them to the Parish Office.
