# PLAY, SERVE, AND PRAY (PART 3)

*by Father Michael*

I made my annual retreat last week. I like to go to a place where the surroundings naturally proclaim the power of God's presence. For me, that most easily happens when I am immersed in nature. The desert experience works best for me, so I spent my time in a quiet little corner of Tucson, Arizona. If I can connect a little travel adventure to my prayer, all the better. Experiences like this make my heart soar. I realize opportunities like this are a privilege that not everyone can do. But that is not the only circumstances in which prayer can become a moment of encounter with God. I understand that my role as pastor is to create opportunities here within this community where people can encounter the Lord.

If we remain spiritually awake as our lives progress, we come to new insights into how and what it means to be a person of prayer. Prayer is virtually an endless spectrum of possibilities. Sometimes the prayer is readily identified with our Catholic tradition. Sometimes our prayer takes on more of a personal devotion or practice. What works at one time in our lives may not work forever. In recent years I find that the Rosary is taking on more and more meaning in my life. Silent contemplation takes some effort, but when it happens it is deeply fruitful.

Designating and creating time in our routine for prayer is tremendously helpful. My "hour of power" is often the first hour I am awake in the morning. But prayerful moments can unfold at other unexpected times. More and more I find myself keeping the radio off in the car and allowing my drive to be a mini retreat, even if I am just driving to Meat Farms. Sometimes preparing a meal, making the bed, watering a plant can become a conscious moment of grace.

For the sake of these bulletin columns the past few weeks, I structured my thoughts into three distinct categories. But life is rarely that neat and orderly. All three realms readily blend into each other. While at the museum I found myself praying for those brave and courageous military personnel who once flew those planes. There are times when prayer turns to fun as you notice the playful spirit of some of God's little creatures as they give praise in their own way. Our lives become a tapestry; the more we can appreciate the many threads that make it up, the more balanced we become. Sometimes we plan the activities of our lives, and those efforts help to keep our lives focused and in good order. But there are also moments when God's Spirit just works its way into our lives in unpredictable ways. It's the gift of life. Embrace it and receive all that is offered, both great and small.

That's all for now . . .

## *The Month of the Rosary*

By tradition, the Catholic Church dedicates each month of the year to certain devotions. The month of October is dedicated to the Rosary, one of the most popular known devotions.

The actual feast of Our Lady of the Rosary is October 7<sup>th</sup>. You might be wondering, why was October 7<sup>th</sup> chosen to celebrate this feast? On October 7, 1571, a great victory over the Turkish fleet was won by Catholic naval forces from Spain, Venice, and Genoa under the command of Don Juan of Austria.

The ships were powered by the Rosary of the Blessed Virgin Mary because the Pope at the time (St. Pius V) called for all of Europe to pray the Rosary for victory. This victory was significant because it prevented the Islamic invasion of Europe and showed the hand of God working through our Blessed Mother.

In various places in Italy, there are images from this victory. For example, in Rome on the ceiling of St. Maria in Aracoeli there are decorations in gold taken from the Turkish galleys. Over in Venice, in the Doges' Palace, one can see a giant Islamic flag from one of the Turkish ships. At St. Mary Major Basilica in Rome, close to the tomb of St. Pius V (Pope), is another Islamic flag from the battle. It should be noted that in 1965, the flag was returned to Istanbul as a friendly token of accord.

At Lepanto, the victory over the Muslims was won because of the praying of the Rosary. This battle was celebrated as a feast called Our Lady of Victory, but later it was renamed the feast of Our Lady of the Rosary and extended throughout the universal Church by Pope Clement XI in 1716.

In later years, Our Lady appeared to the children of Fatima and told them she was Our Lady of the Rosary and taught them and us to pray the Rosary every day.

In 2002, Saint Pope John Paul II expanded the Rosary's power announcing the Year of the Rosary and adding the Luminous Mysteries. During this month of October, may we renew our devotion to Our Lady of the Rosary.

Have a safe, healthy, and blessed week! ~~~*Michele Hahn*

## Thank You!!!

On Friday, October 8<sup>th</sup>, we hosted our first “Cutting Party” for our new project “Dress a Girl Around the World.” Twenty-three women came together to share the afternoon creating something special for little girls in need. It was an enthusiastic group, all sharing their time and talent to get this project off the ground. The day was a huge success as we completed sixteen dress kits. Not bad for our first outing! Thank you to all who participated to make this day so wonderful. I am so grateful for all who came out to cut, iron and pack the kits. A special thank you to Donna Akuntius, Barbara Shipman and Mary Ann Viscusi for their leadership role in this project. I look forward to seeing you all at our next meeting.

We had our first “Cooking out of the Pantry with Jackie” on Sunday, October 10<sup>th</sup>, and it was a huge success! Jackie demonstrated three recipes which were then served to those who attended the dinner. It was a delicious meal with step-by-step directions on how to prepare at home using items found in our Outreach Pantry. Thank you to all those who volunteered to help set up, serve and clean up. All your help made this event a huge success! Thank you also to all those who attended. We were happy you could join us! It was a wonderful afternoon with an amazing dinner. A special thank you to Jackie Vecchiarelli for sharing with us her knowledge, her skill, and her wonderful recipes. We look forward to the next dinner hosted by Jackie. Below are pictures from our afternoon, and there are recipes on the following pages!!

Thank you,  
Kelley

## Fall Cash Fling

For many years the Cash Calendar was a part of the Holy Cross routine. This fundraiser provided some additional financial support to the parish. In addition, many parishioners enjoyed participating in it. Unfortunately, it was one of the many parts of parish life that was lost to COVID. At this time, it is unlikely that we have enough parishioners attending Mass on a weekly basis to support a monthly drawing. And so, we introduce the "Fall Cash Fling." This is a similar idea, however it will be offered initially on a quarterly basis.

- \$10 per ticket
- Tickets are available for purchase through September, October and November.
- Drawing will be held November 30.

Because we anticipate smaller participation, there will be a different pay scale:

- \* 1 Prize @ \$250
- \* 2 Prizes @ \$100
- \* 10 Prizes @ \$50
- \* 15 Prizes @ \$25

- This formula was based upon selling 250 tickets @ \$10 each. If more than 250 tickets are sold, the number of prizes will be increased. *(In the event the response is strong, we will resume a monthly drawing as soon as possible.)*
- Tickets will not be sold after Mass. Please use the tear-off tickets below. You may return your entries by placing them in an envelope and depositing it in the basket on weekends, or returning them to the Parish Office.
