Forty Days in the Desert have Begun

by Father Michael

This is the first full week of Lent. There is a great deal of energy that surrounds Ash Wednesday, which begins this holy season. Don't lose the momentum that began a few days ago. If you have not already done so, consider a sacrifice, discipline, or action you can embrace during these days that will bring you closer to God. God calls us to reconciliation and conversion. While these may be a challenge, they open the door for us to know the mercy, compassion and new life of our Lord.

Today's gospel reminds us that Jesus himself was tempted in the desert. Although there may have been some fear or uncertainty for Jesus, he trusted in his Father's love. In the end, he completed his time confident of the mission he was called to do. He began his ministry with strength and determination. We need to trust that same pattern can be experienced in our lives. Moments of temptation can lead us to moments of grace.

Although not exactly the desert, there is a trip in store for some of us here at Holy Cross. In two weeks, five members of the Pastoral Team and I will be leaving for California. Every year there is a large conference for those involved in ministry in our Church; it is called the Religious Education Congress and is sponsored by the Archdiocese of Los Angeles. Every priest is asked to do some form of on-going education or formation each year. In the past twenty years, I have attended Congress about a half dozen times. The conference is three days packed full of prayer, keynote addresses and workshops. There are offerings for virtually every corner of ministry: music, liturgy, catechesis, spirituality, administration, etc. The speakers who present the various workshops are well known within their fields and offer great insight and expertise.

I realize this is an enormous undertaking. Ever since I came to Holy Cross it has been my hope and dream to be able to do this with the Pastoral Team. I want to do this for several reasons. The ideas, programs, and initiatives that we will bring back with us will enhance what we do here at Holy Cross. It is an affirmation to the Pastoral Team that the work they do is important. There are times we need to invest and affirm those who are leaders within the parish. It will renew our energy and zeal for ministry within the parish. I realize it is no small financial undertaking to bring six people to the West Coast for a long weekend. I presented this proposal two years ago to both the Finance Committee and Pastoral Council, and they were in favor of the parish underwriting this trip. It ended up that we could not go last year, but it worked out for this year. I am confident it will be time and money well spent. Thank you for your support and understanding.

Allow the time in the desert, these days of Lent, to be a holy time for you.

SACRED SILENCE

The Season of Lent has begun. What are you doing to make these days a time when you can grow closer to the Lord?

Sacrifice?

Service?

Prayer and Silence?

We invite you to be open to the ways in which God may be trying to speak to you during this holy season. Try to create some quiet time in your life where there is room for God's voice to get in.

You may notice our Sunday Masses will incorporate the theme of silence into our prayer. The procession at the end of Mass will take place in silence after singing one verse of the closing song. The song "Sacred Silence" will be sung at every Mass. We pray these simple things may serve as a reminder to seek God speaking to you in the silence of your heart.

Our Lenten banner in the atrium reminds us of those who may have no voice. We embrace their suffering and hardship in our prayer. We give voice to those who may otherwise be lost or forgotten. Please feel free to submit additional groups who may need our prayer.

I suggest the following, who have no voice, to be included in our Lenten journey:

PARISH OUTREACH

Eat Simply...So Others May Simply Eat

Lent offers us a unique period of time to evaluate our life journey as a follower of Christ. We are encouraged to assess if this journey has led us to an improved understanding and deepening of our relationship with our Lord, with our neighbors, and with our brothers and sisters of the world community.

For the last 28 years we at Holy Cross have embraced our Lenten Project **Eat Simply So Others May Simply Eat** as a way to raise our consciousness to the significant needs of our struggling friends. We willingly sacrifice larger or better meals for simpler meals during Lent. Our joint effort to **EAT MORE SIMPLY SO OTHERS MAY SIMPLY EAT** unites us in a special way with one another and also with those who are struggling on Long Island.

We encourage you not only to participate in this program, but also to discuss it at the dinner table with your children and family members. Many of us are not consciously aware of the number of people that are struggling and hungry right here in our own area. **During 2018, our Outreach pantry served over 100 people each month.**

The Lenten envelopes marked, **EAT SIMPLY...SO OTHERS MAY SIMPLY EAT**, will be available throughout the weekends of Lent. We suggest that you place the envelope in a prominent place in your kitchen as a reminder of how you and your family will be uniting yourselves with our struggling neighbors and with the starving of the world. *We encourage you to reflect, discuss and to decide how you will eat more basic meals during Lent.* Perhaps you have a favorite simple recipe to share. We'd be happy to put it in the bulletin for fellow parishioners to try.

Each weekend or whenever you choose during Lent, you may place your envelope in the basket on the pillar by the Altar or in the collection basket. The monies donated will be used to help those who come to Parish Outreach for assistance. We are continually grateful for the very generous response of our parishioners of Holy Cross in donating money, food and supermarket gift cards, which enables us to meet their needs.
