The Wonder of a Good Night's Sleep

by Father Michael

I am blessed. I'm blessed in many ways, but for whatever reason this week I was particularly aware that a good night's sleep is a blessing from God. Not everyone can get a restful night. I know that my mother struggled with insomnia; her nights were long and difficult. I'm sure there are parents who long for a full night of sleep, but a newborn infant or a child with a stomach virus comes first. Caretakers of someone who is sick have the same experience. There are those who work long days, have more than one job or simply have so much to do, they are barely able to squeeze in a few hours of rest. Most nights I am blessed to be able to sleep soundly for six hours or so.

This Christmas, Santa brought me a Fitbit. I'm sure many of you have had one for many years; I'm not exactly up on the cutting edge of technology. For those of you who don't know, it is a device worn on the wrist that looks like a watch. It keeps track of the number of steps taken each day. It can be used to monitor how much you eat and drink and how many calories you expend in the course of the day. There is one feature in particular that fascinates me. If I wear the Fitbit when I go to sleep, it monitors sleep patterns through the night. The next morning I can look at a graph on my iPhone that distinguishes between light sleep, REM, and deep sleep. It is intriguing to see the complexity of what is at work during a night of sleep. God created an amazing design to allow our bodies to rest and renew itself in the course of a few hours. It is remarkable that we now have the ability to see the intricacy with which God created all that He did.

It is my understanding that all people have dreams, but not everyone remembers them with the same degree of clarity. Dreams are ways in which the inner psyche can process issues that might get buried deeply inside during our waking hours. Dreams can bring to the forefront questions and issues we may be worried about or need to be addressed with greater attention. There are certainly Scripture stories where God has used the occasion of a dream to reveal His plan and presence in the lives of people. (Hopefully, my homilies are not occasions for you to have dreams during Mass 😊). I have had many occasions where God spoke to me through my dreams. Sometimes it takes some thought and discernment to decipher what the message is, but they can offer profound insight into our lives.

Admittedly, this may have been one of my more unusual columns. It was a slow news week in terms of parish life. Have a great week. Rest well and have pleasant dreams. Zzzz . . .

Remember, Wednesday is Ash Wednesday. Try to come up with a plan or discipline that will allow the days of Lent to be a holy time for you.

Alpha is coming – beginning April 25, 2019! Watch the bulletin for details.

ASHES & ASH WEDNESDAY

On **Wednesday, March 6th**, countless Christians will be signed with ashes on their forehead. This symbolizes the beginning of our **40 Day Journey through Lent**. As this significant day in the life of Christians arrives, we wonder **WHY ARE WE RECEIVING ASHES?** We must be careful not to judge others' intentions, but we are challenged to reflect on our own motives for being blessed with ashes.

Beginning Lent with the Sign of the Cross is meant to remind us of our Baptism when the priest, along with our parents and godparents, traced the Sign of the Cross on our forehead, saying, "In the name of the Christian community, I claim you for Christ our Savior by the Sign of the Cross."

- **Ashes have been considered a sign of penance.**
- **Christ is the beginning and the end of our life's journey.**
- **We are called to internal conversion and change of heart.**
- **We consciously are entering into the central mystery of our faith... that the way to Resurrection is by way of the Cross.**

WHY RECEIVE ASHES? Ashes are meant to be an external sign of our interior desire to make these 40 days of Lent a special and sacred time. We begin Lent with ashes, reminding us of our need to die to anything that keeps us from growing in the love of God. At the Easter Vigil we will receive lighted candles reminding us that "If we die with Christ, we shall rise with Him into future glory."

"Repent, and believe in the Gospel."

**Ash Wednesday is March 6th. Ashes will be distributed at:
7 AM, 9 AM Mass, 12 Noon, 4 PM, 5:30 PM & 7 PM.**

Children and Ashes...

Our 4:00 and 5:30 PM services will be more "child friendly." These services will be shorter, with a homily geared to a child's understanding. This will enable the children to enter into the spirit of Lent in a manner appropriate for their age.

Fast and Abstinence...

All Catholics who have reached their fourteenth year are bound to abstain entirely from meat on Ash Wednesday and all the Fridays of Lent. All Catholics between the ages of eighteen and fifty-nine inclusive are also bound to observe the law of fast on Ash Wednesday and Good Friday. This means limiting oneself to a single full meal and avoiding food between meals. Two other light meals, which together do not equal a full meal, may be taken during the day.

May they rest in peace,
and may their loved ones be consoled.

Special Collections

This weekend, March 2nd/3rd, at the offertory we will also be collecting for our **Renovations and Major Repairs** fund.

Next weekend at the offertory we will also be collecting for our **Catholic Schools**.

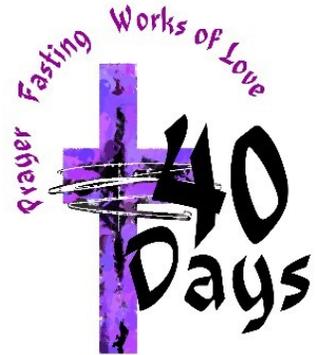

Thank you for your support of these important collections!

SACRED SILENCE

Our theme for this Lent will be “*Sacred Silence*.” We will be invited to embrace this theme on two different levels.

- How can I increase and use silence in my life to better hear what God has to say to me?

- 1) No TV
- 2) Less Technology
- 3) More Prayer

- In what ways can I support or pray for those who may live in silence, those who have no voice of their own?

We are seeking your input for this second area. Are there any groups that you can identify that in some way have “no voice”? Are there any people that you would like to see us pray for during the days of Lent? Here are a few examples: for life in the womb that may be threatened by abortion, or for survivors of abuse.

We invite you to submit additional groups that can be incorporated into our prayer throughout the days of Lent as well as in our Adoration of the Cross on Good Friday.

I suggest the following, who have no voice, to be included in our Lenten journey:

Name (optional) _____

PARISH OUTREACH

Long Island Cares Food Drive

Who are the hungry on Long Island? We share some facts compiled by Long Island Cares:

- Approximately 316,000 Long Island residents are hungry or food insecure. That is more than 1 in every 9 people.
- 89,030 of these Long Islanders are children. They must rely on others to access the feeding programs and services they need.
- The elderly make up 4% of Long Island's hungry. Some of the reasons for this are: not having enough income to afford nutritious food; suffering from depression and loneliness; experiencing the side effects of medications. Many are too proud to request help.
- Nearly half - 48% - receiving emergency food assistance are the "working poor"; households that include at least one employed adult. More than two out of every four people seeking food assistance report having to choose between paying for food and paying the rent or mortgage. More than one out of three must choose between food and medicine or medical care.

As we have done for the last few years during Lent and as part of our Baptismal call to live out the Beatitudes, our parish will sponsor a food drive on behalf of Long Island Cares. **Last year our parish food drive provided 605 pounds of donated items to Long Island Cares.** Long Island Cares is an organization that collects and delivers food to more than 600 community-based agencies in Nassau and Suffolk. In a typical year, it distributes over 7 million pounds of food.

Please bring your **non-perishable food items** to **Mass on the weekend of March 16/17** and place them in the large boxes in the Atrium.

We thank you for being a community that consistently stocks our own food pantry, reaches out to our surrounding communities and finds ways to assist our global family (through Heifer International).

RELIGIOUS FREEDOM

“GHOULISH” NEW LAW

www.cffor.org

Calling New York State’s newly expanded abortion law “ghoulish,” Cardinal Timothy Dolan explained that the new law: allows for an abortion right up to the moment of birth; drops all charges against an abortionist who allows an aborted baby, who somehow survives, to die before his eyes; mandates that, to make an abortion more convenient and easy, a physician need not perform it, and the law might even be used to suppress the conscience rights of health care professionals not to assist in the grisly procedures.

The law proclaims that: Every individual has the “fundamental right” to choose to have an abortion. The phrase, “fundamental right” is extremely significant since it incorporates the constitutional law principle that these “rights” cannot be regulated except in the most narrow way possible.

Therefore, the language of the law poses a direct threat to religious freedom and conscience rights. It gives the state the authority to deny licenses to individuals and institutions that do not provide or cooperate with abortion.

Research shows that unborn babies feel pain by 20 weeks, and most even earlier. The United States is now one of only seven out of the 198 nations in the world to allow abortion on demand past 20 weeks. The other six are North Korea, China, Vietnam, Singapore, Canada and Netherlands.

**“Before I formed you in the womb I knew you,
and before you were born I consecrated you.”

Supporting *Dramatic Missionary Growth* in Our Community

Witnessing Forgiving Loving Helping Teaching Igniting Evangelizing
Teaching Igniting Evangelizing Forgiving Loving Helping Witnessing

March, 2019

Dear Friends:

The Lenten practices of prayer, fasting and almsgiving open our hearts to the presence of our loving and ever present God. It is a time for reflecting on the enormous sacrifice our Lord made on Good Friday. It's also a time for making sacrifices of our own. One of the purest sacrifices we can make is also one of the most loving. And it begins when we show compassion to others.

As Pope Francis said, *"Prayer brings us back to the path of truth about ourselves and about God; fasting makes us share the reality of so many people who face the anguish of hunger and makes us pay more attention to our neighbor; charity is a blessed occasion to collaborate with God's providence in benefit of His children."*

When you give to the Catholic Ministries Appeal, your neighbors experience the merciful presence of Christ through Outreach and Catholic Charities' programs that serve the basic needs of the poor, troubled, weak and oppressed in our community.

This Appeal also supports our efforts in evangelization, liturgy and worship. Consider the multitudes of children who are taught the faith through our Catholic schools and religious education programs and are able to continue their faith journey as they benefit from Campus, Young Adult and Youth Ministry Programs. It also funds the resources necessary to support our seminarians who are studying and preparing to serve us as priests.

If you have not yet made a pledge as of yet, please consider participating in the 2019 Catholic Ministries Appeal as one way of *"collaborating with God's providence in benefit of His children."*

May this Lent be a source of *dramatic missionary growth* both in our lives and for our great Diocese.

I keep you and your family in my Masses and Prayers.

Sincerely yours in Christ,
