# One Small Step...

*by Father Michael*

Fifty years ago, many of us were caught up in the wonder of the first flight to the moon. There were many Long Islanders, maybe even some of our parishioners, who lent a helping hand in that historical undertaking. Grumman and other aerospace companies played a role in designing and making components of the lunar module. It must have been an awesome experience of satisfaction and purpose to realize your efforts were among the countless pieces that created this epic event.

The lunar landing was a moment that united our nation, and perhaps much of the world. I was 8 years old at the time, and I remember sharing in the excitement of those days with my circle of little friends. This was a common point of reference that everyone could relate to, and it was a source of national pride and achievement. Other details of life took a back seat to this moment of triumph. War or tragedy can draw people together, but it is unique when the common bond is a positive experience. We need to believe in a world where occasions of great success can still happen. Sadly, too often today our focus is on potential threats and issues that divide us. Pray for prophetic leaders within our country, around the world, and within the Church so that they may foster moments in life that can celebrate the best of human efforts.

Our theme for Pentecost was “Who will?” We raised the question of who will share in the work and ministry of our parish. For several weeks in the bulletin we identified areas in the parish where we need helping hands. One of the things we asked for was for folks to help ring the bell before Mass begins. Several years ago our beautiful bell was lowered from the bell tower (where it did not function) to ground level. It is easy to ring; we just need folks to do it. One brave woman offered her help at the 9:30 Mass. Surely, there are others who can join her. It’s something even the kids can do. So, calling all bell ringers, let me know who you are.

I’m investigating the possibility of permanently mounting two large screen TVs in the corners of the Worship Area. We successfully used our two portable screens on a few occasions at Mass to display words to songs that were not in our books. There is potential for us to get many uses from this technology. Not only could it be used to enhance our worship, but they would be well utilized when we hold Religious Education meetings and other gatherings in our Worship Area. If anyone has any expertise in regards to installing, wiring, or using devices like these, I would love to hear from you.

# VACATION BIBLE SCHOOL 2019

We had a wonderful week at Vacation Bible School!

Here's a picture of our Volunteers!

VBS was a huge success! We couldn't have done it without everyone's help!

Thank you to all parishioners for your generous donations. And, thank you to Little Vincent's for the pizzas for our volunteers. Also, we'd like to mention the generous donation by our campers. We will be sending a check for \$800 to Catholic Relief Services, which is considerably more than last year! We appreciate your generosity! Our VBS campers, also, made cards and sent them to Operation Gratitude and Support Our Troops. These two organizations send cards to deployed troops overseas. We are very proud of our campers' work!

Our campers donated food/toiletries which helped stock the shelves of our Parish Outreach Pantry. Great work, campers!

*Thank you one and all!*

A daily one-minute video series is now airing on the Catholic Faith Network. Hosted by Bishop John Barres and Rev. Msgr. James Vlaun, President and Chief Executive Officer of Catholic Faith Network, the summer-long series commemorates the 2019 Fiftieth Anniversary of the New York Mets winning the World Series in 1969.

Each video in the series reflects on a moment of Met nostalgia which then ties in to the pursuit of dramatic missionary growth in the Diocese of Rockville Centre. The videos are also available on the diocesan website – [www.drvc.org](http://www.drvc.org) and its Facebook page - @RVCDiocese.
