Sharpen Those Pencils

by Father Michael

This weekend is the unofficial end to summer. For those involved in education, these are the final few hours to get ready for the beginning of a new school year. At one point in time that meant making sure your pencils were sharpened. Nowadays, it probably means making sure your chrome book is fully charged or some other technological chore like that. Remember when clapping the erasers in school was considered an honor? Now, that is probably outlawed as a health hazard and rebooting the Smart Board has replaced it.

Although you may not be heading back to school, this time of the year naturally lends itself to a time of new beginning. It can be an opportunity to refocus your efforts and even come up with your own homework list of things you would like to accomplish.

I am grateful to the dozen or so folks who were part of the clean-up day last Saturday. The bulk of the work was loading up the dumpster with items that were no longer useful to the parish. There was a chest freezer and refrigerator in the basement of the church that were no longer used. In the basement of my house there was an array of old furniture that was losing the battle with mold and dampness. The community garden also had become a gathering place for all kinds of odds and ends that were getting overgrown with weeds. We now have 30 cubic yards less clutter and rubble to get in the way.

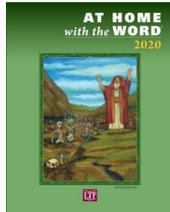

The storm that hit last week took most people by surprise and left pockets of damage all over the place. Several enormous trees were uprooted on Nichols Road. It looked like a few homeowners suddenly found themselves rebuilding their front yards. The 9/11 Memorial Garden in Nesconset sustained a great deal of damage. My driveway got beat up by the torrential rains. The rushing water created several gullies and trenches. A few temporary patches were made so that the driveway would be passable, but it needs work. We will need to get a few truckloads of crushed stone and gravel as well as a bobcat to do some grading and even things out. Several parishioners have suggested that I should just pave the entire driveway. The cost of that undertaking would not be cheap. I prefer if money is going to be spent, there are other places within the parish where it could be better utilized. This is the first time in six years that I have had to make this kind of repair to the driveway.

Enjoy the Monday holiday; may it be a last minute hurrah for those who didn't accomplish everything they had hoped for during the summer. And, remember to be a safe driver and look out for stopped school buses and all the kiddies heading back to school.

Are you seeking Baptism? Are you a baptized Catholic who never celebrated First Communion and Confirmation? Have you been baptized in another Christian faith and now desire to become Catholic?

If your answer is "YES" to any of these questions, we want to hear from you. The Church gives us a beautiful process called the Rite of Christian Initiation of Adults (RCIA) for those who seek to become fully initiated in the Catholic Church. This year's RCIA will be starting soon. If you're interested and would like additional information, please contact Jude Pickel at 631-265-2200 x116.

Children's Liturgy of the Word which is held every Sunday from September to May, except for holiday weekends, will resume at the 11:30 Mass on Sunday, September 8th, in the Fr. Joe Room. Children's Liturgy, for children in grades K-3, allows children to hear God's word in language they can understand and have their questions answered.

We are looking for additional helpers starting in September. Time commitment is dependent on the number of helpers we have. If you are in grades 4 through 12 and would be interested in becoming a helper, please consider joining this ministry. Community service hours and training are available. Who Will...join our Flower Garden Ministry?

To Plant or Not to Plant?

We recently received an estimate for extending our irrigation system to include the area around the signs on Nichols Road as well as by the entrance driveway. It would be my hope to improve this area by doing seasonal plantings. Having a water supply would be crucial in maintaining any kind of garden. But, in addition to the sprinklers we would need helping hands to plant and maintain these beds. Do you have a green thumb? Would you like to help the parish in this project? If so, please let us know. I do not want to proceed with the expense of sprinklers if it will only lead to a bumper crop of weeds. If we create a happy little "Flower Garden Ministry" (not to be confused with the Community Vegetable Garden Ministry) it will enhance the beauty of our property for us, and all who drive along Nichols Road. *Fr. Michael*

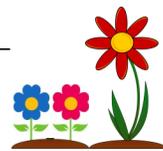

We need you!

Please fill in the tear-off below, drop it in the collection basket, and someone will contact you:
