WHAT'S HAPPENING NEXT

Weekly Reflection by Fr. Michael

This past week we had our annual year-end evaluation and planning meeting with the Pastoral Team and Staff. We did not come to any dramatic decisions, but we did come up with a few ideas that we are pursuing. The two ideas we discussed are related. We would like to spend some time and energy helping parishioners to recognize the distinct gifts that each person has. Some gifts are abundantly evident, others are more subtle. Different ministries require different abilities and have different roles. Some people may be good at administration/organization, others excel in creativity, still others are best suited for helping/carrying out needed tasks. There are several different programs that assist parishes and its members to identify the strengths of each person. Having this information can be helpful to both the parish and the individual. Ideally, we want people involved in ministry that they are most suited for. We don't have a definitive plan at this time but are moving forward doing our research as to how we might best implement this.

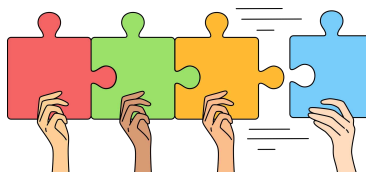

Related to this is creating a "theme" for the year. Since Advent, we have been using Pope Francis' theme of Pilgrims of Hope. Beginning in the fall, we would like to do something that affirms the giftedness of each person and fosters a sense of belonging in the community. We are looking for a song that might be used to reinforce the theme. It will take some time to develop both of these ideas, but we hope that they will enhance the spirit and life of who we are and what we are capable of offering.

This weekend we hear a financial report by the Chair of the Finance Committee, Tom Muscarello. For the first time in many years, we will have an operating deficit for the fiscal year that ends on August 31. We are not in a perilous position. I am confident that with some effort we will be able to balance our account. Overall, all our contributions are holding steady; it is the expenses that are slowly rising. I'm sure this is the same reality that many families are experiencing. Income is the same, but costs have gone up. We are grateful to everyone who generously supports us. If it is possible for you to make a modest increase in your offering, that would go a long way in bridging the financial gap we are facing. Thank you for your consideration.

For years now we have offered the option for direct deposits to be made in lieu of writing checks or giving us cash. The transfer is made directly from your bank account to ours. You can determine the frequency and amount of your donation. It can be discontinued at any time. There is a great benefit to us in these electronic donations. If there is inclement weather on the weekend, we do not take a financial hit. As I recently announced, several dozen donations from 2023 that were mailed in were lost in transit by the post office. If you would like more information about electronic giving or would like to sign up, please contact Karina, our Business Manager in the Parish Office, and she will assist you with that.

Please pray for peaceful resolutions to all the conflicts in the Middle East. There is no simple answer. We pray for the Spirit to guide us through these challenging times.

Enjoy summer!

STANDING, SITTING, KNEELING...

LITURGY BYTES *by Michele Hall*

Has anyone ever said that attending Mass is like a workout at the gym? I can tell you my kids, in their younger years, have said something like that. Today, let us look at the reason behind our various postures at Mass. In the Mass there are three postures: standing, kneeling, and sitting. Each of these is to help us fully participate in the Mass. How do these postures assist us?

At Mass there is a good deal of kneeling and bending the knee. When we enter the pew, we should genuflect before we move into our seat. Some people kneel in prayer when they first enter Church before Mass actually begins. During the Eucharistic prayer, we kneel in adoration as Jesus is made present before us. After receiving Communion, we kneel in prayer to give thanks. Another way to look at kneeling is to realize as we kneel we are emptying ourselves. Therefore, you could say that kneeling is an act of humility, an act of honest love with a desire to be with the person before us.

On the opposite end, we have the posture of standing. It is interesting to know that in the early days of the Church, kneeling was not allowed during the season of Easter. This was not because Christians imagined that they were equal to God. Rather, to stand was to recognize how our Baptism changed who we are. We are creatures who can stand upright before God because of what Jesus had done for us. We can stand with hope because of Jesus. So, when we stand, we let our bodies announce to the world that we are redeemed.

You might think sitting is similar to a "time out." After all, we are very familiar with it! We sit as spectators for so many activities in our lives. So, at Mass we could be tempted to think that my part is done and so I sit. Let others do their thing. However, we need to sit realizing we need to be active during these moments as we listen to God's Word in Scripture and when the gifts are presented. Our eyes may be closed or not as we contemplate receiving and delighting in what we hear and see. Together, let us kneel in humble wonder, stand with confident hope, and sit in expectant desire for union with God.

Have a peaceful and prayerful week ahead!

Practice of Faith

(Excerpt from "At Home with the Word 2025")

As role models, Saints Peter and Paul both have their weak points. One denied and abandoned Jesus at the hour of his deepest need; one spent the first half of his life persecuting Christians. Yet despite their weaknesses both were chosen and sent. At various times in their mission, "the Lord stood by" them and gave them power. Their weakness makes them suited to encourage and empower us.

Weak as we are, with faith all of us may be evangelizers and defenders of the Church. Read the story of the life of St. Paul. Pray for the courage to evangelize in a secular world.

Most of us don't live in circumstances where we are called to be martyred or imprisoned for our faith, but all can welcome people. Invite someone to a Bible study or parish event.

Offer to pray for someone who struggles with their faith.

PRAYER & ACTION

This weekend at the offertory we will be collecting for Peter's Pence.

What is Peter's Pence?

It is an offering that can be small, but has a profound symbolic value: it expresses love and trust for the Holy Father, the successor of Peter. It is a concrete sign of communion with him and of participation in his mission that embraces the whole world, with particular attention and care for brothers and sisters who find themselves in situations of need.

How to support the Holy Father?

- With **prayer** for his intentions;
- with an **offering** to Peter's Pence in the way you prefer. For further information, please visit the website or scan the QR code.

Stop Physician-Assisted Suicide in New York

New York is on the brink of legalizing physician-assisted suicide. Bill A136 has already passed the Senate and Assembly. **The only thing standing in its way is Governor Hochul's veto – and she needs to hear from you.**

This bill would allow doctors to prescribe lethal medication with the sole purpose of ending a patient's life. It puts the most vulnerable among us – the elderly, people with disabilities, and those facing emotional or financial despair – at even greater risk. **Suicide is not healthcare.**

We must speak out to protect the dignity of every human life. Assisted suicide is a dangerous and deadly path – one we must not go down.

Take Action!

June is the month of the Sacred Heart Prayer to the Sacred Heart of Jesus for Love and Mercy

Lord Jesus,

You gave your life for us.

Your Sacred Heart is ablaze with love.

Your hand extends towards me, and towards all, offering love, mercy, and healing.

Sacred Heart of Jesus may your love transform me.

Burn away my hesitation that I may become your love and radiate your mercy.

Amen.

This prayer is from the reflection, *We Become What We Receive*, by Jill Rauh.

Hearing Devices

For parishioners who have difficulty hearing, Holy Cross has individual devices which can amplify sound. They are simple to use and work for those who wear hearing aids and those who do not. If you are interested in using one of these devices, please see the Sacristan or an Usher prior to Mass.

Low-Gluten Hosts

For parishioners who have Celiac Disease or a gluten sensitivity, Holy Cross has low-gluten hosts. If you would like to receive a low-gluten host during Communion, please inform the Sacristan prior to Mass.

Summer Cash Sizzle

For many years the Cash Calendar was a part of the Holy Cross routine, and this fundraiser provided some additional financial support to the parish.

At this time, it is unlikely that we have enough parishioners attending Mass on a weekly basis to support a monthly drawing, so we will continue as we have done for the past few years with our quarterly drawing.

- \$10 per ticket
- Tickets are available for purchase through June, July and August
- Drawing will be held **AUGUST 28TH**

This is the pay scale which will be offered:

- 1 Prize @ \$250
- 2 Prizes @ \$100
- 10 Prizes @ \$50
- 15 Prizes @ \$25

This formula was based upon selling 250 tickets @ \$10 each.
If more than 250 tickets are sold, the number of prizes will be increased.

Please cut out and use the tickets below.

You may return your entries by placing them in an envelope and depositing it in the basket on weekends, or returning them to the Parish Office.
