The vertical boundaries of each Unit Floor Space shall be the vertical planes of the inside of the Exterior Walls and the exterior of the Interior Unit Demising Walls which are shown on the Condominium Plan for the subject floor. The upper and lower horizontal boundaries of each Unit Floor Space shall be at the elevations set forth on the Condominium Plan.

Each Unit shall be bounded horizontally and vertically as shown and described on the Condominium Plan; subject to such servitudes and encroachments as are contained in the specific building in which the Unit is situated, whether such servitudes and encroachments exist now or are created by virtue of this Declaration, by construction, settlement, or movement of such building or by permissible repairs, construction, or alterations.

The horizontal and vertical boundaries and approximate measurements of each of the Units are particularly shown, and described graphically on, the Condominium Plan. In the event the actual horizontal and vertical boundaries and measurements of any Unit, as built, differ from that shown on the Condominium Plan, Declarant or the Association shall file an amendment to this Declaration

containing a revised Condominium Plan indicating the actual horizontal and vertical boundaries and measurements of such Unit.

(c) In interpreting deeds, mortgages and plans, the physical boundaries of a Unit constructed or reconstructed substantially in accordance with the original plans thereof shall be conclusively presumed to be its boundaries, regardless of settling or lateral movement of the Building in which it is situated and regardless of minor variances between the actual boundaries of the Building and the boundaries shown on the Condominium Plan or in any conveyance.

3.6 Floor Plans. The interior layout of each and every individual Unit shall be based upon one of the six (6) Floor Plans shown on the Condominium Plan and designated as Plans A through F. The Floor Plan designation shown on the Condominium Plan is subject to change and this Condominium Declaration shall be amended at such time as the Floor Plan of any Unit is determined to be final.

3.8 Real Estate Taxes. Declarant shall use its best efforts to ensure that taxes, assessments and other charges of any taxing or assessing authority shall be separately assessed to each Unit Owner for its Unit and its corresponding Share in the Common Elements. If at any time such taxes or assessments shall not be separately assessed to each Unit Owner, but rather, shall be assessed on the Condominium Property as a whole, then each Unit Owner shall pay its proportionate share thereof in accordance with its Share in the Common Elements, and, in such event, such taxes or assessments shall be a Common Expense.

3.9 Utility Services. Each Unit Owner shall pay, when due, all Utility Services, separately metered for, or otherwise billed to, such Unit Owner's Unit. Each Unit Owner shall also

pay, as determined by the Association, for all Utility Services billed to the Association and allocable to such Unit Owner's Unit, but not separately metered for, or billed to, any particular Unit. The Association shall bill each Unit Owner for such Owner's applicable portion of such utilities at such intervals as the Association determines, in its discretion. Each Unit Owner shall make such payments for separately metered Utility Service directly to the utility company or companies providing such Utility Service or directly to the Association if such Utility Services are not separately metered for, or billed to, the Units.

To the extent any Utility Service is provided to the Condominium Property for the use of more than one Unit, and separate meters are not provided by the utility company or municipal agency providing such Utility Service, the Declarant, at its costs, shall have the right to install submeters, flow meters, or other devices to measure the consumption of such Utility Service by the other Units, and invoice the other Unit Owner for the actual cost of consumption of such services, as indicated by such submeters, flow meters or other devices. If the other Unit Owner does not pay such invoice within thirty days, the Association shall pay such invoice, and shall submit an invoice for reimbursement directly to such Unit Owner. The Association shall be entitled to all rights provided by the Act to secure payment of such invoice, including, without limitation, the right to a lien against such Unit.

Each Unit Owner shall furnish and be responsible for, at its own expense, all of the decorating within its own Unit exclusively, including, without limitation, special plumbing and electrical fixtures, painting, sheetrocking, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lamps, and other furnishings and interior decorating. Similarly, the use and covering of the interior surfaces of windows, whether by draperies, shades or other items visible on the exterior of the Building, shall be subject at all times to the rules and regulations of the Association. Subject to the provisions of this Condominium Declaration, each Unit Owner shall be entitled to the exclusive use of the Interior Unit Demising Walls, and any and all interior surfaces of the perimeter walls, floors and ceilings of its Unit, and such Unit Owner shall maintain said surfaces in good condition at its sole expense, as may be required from time to time. Said maintenance and use of interior surfaces shall be subject to the rules and regulations of the Association, and to any restrictions or servitudes currently of record or imposed hereby. All windows forming a part of a perimeter wall of a Unit shall be cleaned and washed at the expense of the Unit Owner of that Unit.

3.11 Alterations, Additions and Improvements. Any Unit Owner may make alterations, additions and improvements entirely within its own Unit without the prior written approval of the Board, provided it does not (i) make any improvements or alterations to its Unit that impair the structural integrity of the Building in which such Unit is located, the other Unit or any mechanical and/or other system contained therein, including the Utility Facilities, or lessen the structural support of any portion of the Building; (ii) impair the appearance or structure of the Common Elements, or (iii) change the exterior appearance of a Unit or any part of the Building. Any Unit Owner making such alterations shall be responsible for any damage to the other Unit or to the Common Elements as a result of any alterations, additions, or improvements made by such Unit Owner.

ARTICLE IV.
COMMON ELEMENTS

4.1 **Description.** Common Elements include, without limitation, the following: the Land, the Structural Elements; sewer, storm sewer and any other underground utility service not owned by a utility company.

4.2 **Limited Common Elements.** Certain portions of the Common Elements are reserved for the exclusive use and enjoyment of respective Units and the Owners or Occupants thereof. Such portions include, without limitation:

a) Those Common Elements designated as Limited Common Elements on the Condominium Plan, benefitting those Units indicated on the Condominium Plan.

4.3 **Ownership and Use of Common Elements.** Ownership of each Unit shall include as a part of the Condominium Parcel comprising the Unit, ownership of an undivided percentage interest in the Common Elements. The interest attributable to each Unit in the Common Elements shall be determined by a fraction, the numerator of which is the number one (1) and the denominator being the total number of Units as indicated in this Condominium Declaration as it may be amended.

Except as otherwise limited by this Declaration or the Condominium Documents, each Owner shall have the right to use the Common Elements reserved for the use of its Unit for all purposes incident to the use of its Unit and as may otherwise be permitted by the Condominium Documents, which right shall be appurtenant to and an inseparable part of the Unit and pass with transfer of ownership of the Unit.

A Unit Owner may not convey, encumber, or transfer, whether voluntarily or involuntarily, any interest in the Common Elements separately from the interest of such Unit Owner in its Unit.

4.4 **Covenant Against Partition.** In order to effectuate the intent hereof and to preserve the Condominium Property and the condominium method of ownership, the Common Elements shall remain undivided, and no person, irrespective of the nature of its interest in the Common Elements, shall bring action or proceedings for partition or division of the Common Elements or any part thereof unless and until the Condominium Property is withdrawn from the condominium regime in accordance with the Act and the provisions of Article XVII hereof.

4.5 **Rules and Regulations Promulgated by Association.** No person, including any Occupant of a Unit, shall use the Units or the Common Elements in any manner contrary to or not in accordance with such rules and regulations pertaining thereto as may from time to time be promulgated by the Association.

4.6 **Expenses of Maintenance.** Expenses incurred or to be incurred for the maintenance, repair, and operation of the Common Elements shall be collected from Unit Owners as assessed, in accordance with the provisions of Article XIV hereof.

4.7 **Alterations and Improvements.** The Association shall have the right to make or cause to be made alterations or improvements to the Common Elements, including alterations or improvements requested by one or more Unit Owners. Such alterations or improvements to the Common Elements must be approved by the Board. The costs of such approved alterations or improvements to the Common Elements shall be included in the Common Expenses and assessed to all Unit Owners in accordance with their percentage of liability for Common Expenses. Notwithstanding the foregoing, the costs of alterations or improvements solely for the benefit of one or more Units shall be Common Expenses attributable specifically to such Unit(s) and shall be assessed only against the Owner of such Unit(s) in an equitable manner determined by the Board. The Board shall have the exclusive authority to determine those Units which benefit from such alterations or improvements.

4.8 **Shares of Unit Owners.** The Share of ownership interest of the Unit Owners in the Common Elements, and the Share of the Unit Owners in Common Expenses, shall be determined by a fraction, the numerator of which is the number one (1) and the denominator being the total number of Units, which at any time are constructed and ready for occupancy, with the maximum being as indicated in this Condominium Declaration, as it may be amended.

Such Shares are based on the total number of Units, and does not necessarily reflect either an exact determination of relative size of a Unit or the selling price or actual value of any such Unit, and no opinion, appraisal, market value, sale, or transaction at a price different from the initial sales price therefor shall be interpreted as requiring or permitting any change in the Shares assigned herein.

ARTICLE V. SERVITUDES

5.1 **Reciprocal Servitudes.** The following irrevocable servitudes are hereby granted from each Unit Owner to each other Unit Owner and to the Association:

(a) **Maintenance and Repair by Unit Owners.** Each Unit Owner shall have a servitude in common with the other Unit Owner to use, install, operate, maintain, alter, repair, rebuild, restore and replace all Utility Facilities and all other Common Elements located in either Unit (or elsewhere on the Condominium) and serving its Unit. (c) **Maintenance and Repair by Association.** The Association, its agents, contractors and employees shall have a right of access to the Units and to the Common Elements to

inspect, maintain or repair or make repairs to the Units to prevent damage to the Common Elements or any other Units, to make repairs to the Common Elements, and to make repairs to any other Unit, provided such right of access shall be exercised in such a manner as will not unreasonably interfere with the normal conduct of business or use of the Occupant of the Unit. Such entry shall be permitted on not less than one day's notice, except that notice will not be necessary in the case of an Emergency.

(d) **Maintenance and Repair of Common Elements.** Each Unit Owner shall have, in common with the other Unit Owner, and each Unit shall be subject to, a servitude (a) to install, operate, maintain, repair, alter, rebuild, restore and replace the Common Elements located in, over, under, through or upon any Unit, or any other Common Elements or elsewhere on the Condominium Property and (b) to maintain any encroachment on any Unit or the Common Elements resulting from the repair, alteration, rebuilding, restoration or replacement of the Units or the Common Elements; provided that access to any Unit or the Common Elements in furtherance of such servitude shall be exercised in such a manner as will not unreasonably interfere with the normal conduct of business or use of the Occupant of the Unit. Such entry shall be permitted on not less than one day's notice, except that no notice will be necessary in the case of an Emergency.

(e) **Utilities.** The Association shall have the right to grant such additional servitudes for Utility Services or relocate any existing Utility Facilities in any portion of a Unit or the Condominium, as the case may be, as the Association shall deem necessary or desirable for the proper operation and maintenance of the Building or any portion thereof, or for the general health or welfare of the Unit Owners and Occupants of the applicable Units, provided that such additional servitudes for Utility Services or the relocation of existing Utility Facilities will not prevent or unreasonably interfere with the normal conduct of business of the Occupants of any Unit or with the use of any Units for their permitted purposes. Any utility company and its employees and agents shall have the right of access to any Unit or the Common Elements in furtherance of such servitude, provided such right of access shall be exercised in such a manner as shall not unreasonably interfere with the normal conduct of business of the tenants and occupants of any Unit or with the use of any Units for their permitted purposes.

(f) **Structural Support.** Each Unit Owner shall have a servitude in common with the other Unit Owner of structural support for the benefit of the Common Elements and the Units and affecting any portion of a Unit which contributes to the structural support of the Building, which servitude of structural support shall prohibit any Unit Owner from performing any work or doing anything which would impair such servitudes.

5.2 [Intentionally Deleted]

5.3 **Expenses.** Notwithstanding the existence of any servitude established by Section 5.1, all expenses associated with the ownership of such areas burdened by each such servitude, including without limitation, those expenses incurred for cleaning, maintenance, and repair, shall be borne solely by the owner of the Unit burdened by such servitude or by the Association if a Common Element.

5.4 [Intentionally Deleted]

5.5 Term. The servitudes established in this Article V above shall continue in effect until the condominium regime established by this Condominium Declaration is terminated.

5.6 Servitudes Burdening Common Elements. Irrevocable servitudes are hereby granted through the Common Elements in favor of Declarant and the Association to install, maintain, repair, and replace any Utility Facilities serving any of the Units.

5.7 Power of Association and Declarant. Declarant and the Association reserve the right from time to time to create servitudes in, around, under, and across the Condominium Property as may be necessary, required or appropriate in order to provide utilities, water, sewerage service, electricity, gas, cable television, telephone, and similar service, without the necessity of concurrence from any Unit Owner or Mortgagee thereof. The Association is also authorized to execute servitude agreements with suppliers of utility services, which servitude agreements shall contain such terms as the Board, in its sole discretion, deems necessary or appropriate.

The Association is authorized to accept the benefit of any servitudes on behalf of Unit Owners, and in connection therewith, to execute servitude agreements containing such terms as the Board, in its sole discretion, deems necessary or appropriate.

ARTICLE VI. MAINTENANCE AND REPAIR

6.1 Unit Repair and Maintenance. Each Unit Owner shall furnish and be responsible for, at its own expense, all of the maintenance, repairs, and replacements within its own Unit, and including any item located on a Common Element but servicing a Unit and/or owned by a Unit Owner, except to the extent the Board or Association (in its sole discretion) determines to provide maintenance of a Unit for a Unit Owner. In connection with such maintenance, repairs, and replacements, the Unit Owner shall not perform any work in or to the Unit which might impair the structural integrity, mechanical systems, or any Utility Facilities, lessen the support of any portion of the Condominium Property, or impair any servitude in favor of the Association or any Unit or Unit Owner, without first obtaining the written consent of the Board. Unless otherwise required by the Board, all repairs and maintenance to any fixtures, equipment, devices, pipes, conduit, wiring, ductwork, or other similar items that serve or are connected with the plumbing, electrical, HVAC, cable television or telephone or other telecommunications, alarm service, or other similar services or functions serving a Unit, whether located physically within or outside of a Unit, shall be performed by the Unit Owner, at the expense of the Unit Owner but subject at all times to the control of Association, so as to assure uniformity of quality of work and preservation of the Common Elements.

6.2 Common Element Repair and Maintenance. The Association shall furnish maintenance, repair, and replacements of the Common Elements, the cost of which shall be paid by the Association as a Common Expense, subject to the rules and regulations of the Association;

provided that maintenance, repairs and replacements of the Limited Common Element benefitting one or more but less than all of the Units shall be furnished by respective Unit Owner(s) having the benefit or use thereof, unless the Board, in its sole discretion, determines otherwise. The maintenance, repair, and replacements of the Common Elements shall be made in a first class condition.

6.3 Work Directed by Association. Whenever the Board shall determine, in its sole discretion, that maintenance, replacement or repair of any Unit is necessary to protect the Common Elements or the appearance or value of the Condominium Property or any other portion of any Building, the Board may cause written notice of the necessity for such maintenance, replacement or repair to be served upon the Unit Owner. If such Unit Owner fails or refuses to perform any such maintenance, replacement or repair within such reasonable time period stated in the notice (or any extension thereof approved by the Board), the Board may maintain, replace or repair or cause such maintenance, replacement and repair to be performed at the expense of the Unit Owner, which expense shall be added to the Assessment against such Unit Owner.

6.4 Repairs Necessitated by Owner's Act or Neglect. If, due to the act or neglect of a Unit Owner, or of any Occupant, agent, servant, tenant, employee, family member, invitee or licensee of the Unit Owner, damage shall be caused to the Common Elements or to a Unit or Units owned by others, or if, as a result of such act or neglect, maintenance, repairs, or replacements which would otherwise be a Common Expense are required, then the offending or responsible Unit Owner shall be liable and obligated to pay for all such damage, maintenance, repairs or replacements to the extent not covered by insurance obtained by the Association, and the Association shall have a right to lien such Owner's Unit to secure the payment of the same. Such damage for which such Unit Owner shall be responsible shall include any increase in fire or property insurance rates occasioned by use, misuse, occupancy, or abandonment of any Unit or its appurtenances. Nothing herein contained, however, shall be construed to modify any waiver by insurance companies of rights of subrogation.

6.5 Access. The authorized representatives of the Association or Board shall be entitled to reasonable access to the individual Units and Common Elements as may be required in connection with the preservation or protection of any individual Unit or Common Element, or in connection with maintenance, repairs or replacements of Common Elements or of any equipment, facilities or fixtures or other property within the Units, or to make any alteration required by any governmental authority. In order to carry out the intent and purpose of this paragraph, there is specifically granted to the Board, Association, and its authorized representatives, a servitude of passage, ingress and egress and use of, and through each of, the Units and Common Elements for maintenance, repair and/or replacement of all or part of the Units and Common Elements. Use of these servitudes, however, for access to the individual Units shall be limited to reasonable hours, except that, in case of emergency, the Board, Association, and authorized representatives may have access at any time.

ARTICLE VII.
USE RESTRICTIONS

In order to provide for harmonious occupation of the Buildings and for the protection of the values of each Unit, the Condominium Property shall be used in accordance with the following provisions;

7.1 **Units.** The Units shall be used solely for residential purposes.

7.2 **Construction Permitted.** In addition to the uses specified above, each Unit Owner shall be entitled to construct, or cause the construction of, improvements to the Unit(s) owned by such Unit Owner, of such a character so as to permit operation of such Unit(s) for the purposes permitted by the provisions of this Condominium Declaration, provided each Unit Owner causes reasonably prudent construction practices to be observed during the construction of such improvements. During the entire period of construction of improvements of any of the Units, each Unit Owner and its agents, contractors and subcontractors, and their respective agents, employees, and guests (including, without limitation, prospective purchasers of the Units), shall be entitled to access, ingress to and egress from all Common Elements associated with such Units, as may be required or desired for purposes of construction in any of the Units to permit the uses contemplated by this Article VII. Declarant and its agents, employees, contractors and subcontractors, and their respective agents, employees, and guests, shall be entitled to access, ingress to and egress from the Condominium Property for the purpose of constructing, or improving, the Common elements set forth on the Condominium Plan.

7.3 **Nuisances.** No nuisances shall be allowed on the Condominium Property nor shall any use or practice be allowed which is the source of annoyance to occupants or which interferes with the peaceful possession and proper use of the Condominium Property; provided, however, that reasonably prudent construction activities shall not be deemed a nuisance.

7.4 **Lawful Use.** No offensive or unlawful use shall be made of the Condominium Property nor any part thereof and all valid laws, zoning ordinances, and regulations of all governmental bodies having jurisdiction thereof shall be observed.

7.5 **Rules and Regulations.** The Association may promulgate rules and regulations concerning use of the Condominium Property, which rules and regulations shall be binding on all Unit Owners. Copies of such rules and regulations will be furnished to each Unit Owner or Occupants prior to the occupancy of a Unit or as the same become effective.

ARTICLE VIII.
DEVELOPMENT RIGHTS AND OTHER SPECIAL DECLARANT RIGHTS

8.1 **Reservation of Development Rights; Number of Units.** The Condominium shall contain a total of sixty-three (63) Units to be contained within a total of ten (10) Buildings. Declarant intends to construct one (1) of the total ten (10) Buildings in the first phase of Development.

Declarant reserves the right to construct the additional Buildings and Units at a later date. Further, Declarant reserves the right to amend this Declaration to create additional Units as well as Limited Common Elements and Common Elements appurtenant thereto. If the Declarant elects to exercise the development rights reserved in this Section 8.1, the Share of each Unit Owner in the Common Elements, Common Surplus, Common Expenses and voting rights in the Association may be changed and will be reallocated according to section 8.3 below. The Declarant makes no assurances that Units will be constructed in architectural style, quality of construction, and materials which are similar to the construction of the Building.

8.2 Declarant's Construction Servitude. Declarant reserves the right to perform warranty work, repairs, and construction work, and to store materials in secure areas in Units and Common Elements and to control all such work and repairs and the right of access thereto, until its completion. All work may be performed by Declarant without the consent or approval of the Board. Declarant has such a servitude through the Common Elements as may be reasonably necessary for the purpose of discharging Declarant's obligations.

8.3 Reallocation of Shares. If the Declarant elects to exercise the development rights reserved in Section 8.1, the Share of each Unit and Unit Owner in the Common Elements, Common Surplus, Common Expenses, and voting rights in the association shall be adjusted according to the formula indicated in Section 4.8 hereof.

8.4 Applicability of this Condominium Declaration. If the Declarant elects to exercise the development rights reserved in this Article VIII, the Unit or Units created thereby will be subject to the terms of this Condominium Declaration in its entirety.

ARTICLE IX. LEASES AND CONVEYANCES

9.1 Leases. Any lease or sublease of a Unit must be writing. Any such lease or sublease of a Unit shall include a provision that the lessee or sublessee agrees to abide by and comply with all of the terms and restrictions of the Condominium Declaration and the rules and regulations of the Association. An executed counterpart of such lease or sublease shall be delivered to the Association prior to commencement of occupancy by any tenant or subtenant thereunder.

Every lease or sublease of a Unit, and any renewal thereof, is subject to the prior approval of the Association. Such approval will not be unreasonably withheld or delayed. If a tenant has violated any of the rules and regulations of the Association, withholding of approval of any new lease, sublease or renewal with such tenant or subtenant shall be deemed to be reasonable.

9.2 Sale of Units. Any sale of a Unit by a Unit Owner shall be subject to the requirements of the Act and in particular Section 1124.107 thereof. Prior to any such sale or the execution of a contract to sell any such Unit, or otherwise before conveyance, the Unit Owner or other person selling the Unit for such Unit Owner shall submit to the buyer the following information required by law:

(a) Copy of this Condominium Declaration, with all exhibits and amendments thereto, except for the Plat of Survey and Condominium Plan;

(b) Copy of the Articles of Incorporation and by-laws of the Association, and all amendments thereto;

(c) Certificate containing the following:

- (i) Statement setting forth the amount of any current Common Expense Assessments;
- (ii) Statement of any capital expenditures approved by the Association for the current and two next succeeding fiscal years;
- (iii) Statement of the amount of any reserves for capital expenditures and of any portions of those reserves designated by the Association for any specified projects;

The Unit Owner may also be required to provide other information in accordance with the Act. The Association shall provide to any such Unit Owner, for such reasonable fees as may be set by the Association, copies of all necessary documents and information which such Unit Owner may need in order to sell its Unit in accordance with the provisions of law.

9.3 Assessments. Except as may otherwise be provided in this Condominium Declaration, no Unit Owner shall voluntarily transfer, sell, convey, mortgage, or lease its Unit unless or until it shall have paid in full any charges assessed against its Unit.

ARTICLE X.
[INTENTIONALLY DELETED]

ARTICLE XI.
THE ASSOCIATION

11.1 **The Declarant.** The Board has assumed responsibility for governance of the Condominium Property upon registration of this Condominium Declaration among the records of the Register of Conveyances of the Parish of East Baton Rouge . Notwithstanding the provisions contained herein and in the Articles and By-Laws of the Association, the Declarant shall have such control over the Association and the Condominium as is stated in the By-Laws.

11.2 **The Association.** Declarant has organized an association of the Unit Owners of the Condominium Property, established in accordance with the provisions of the Act as the governing body for all of the Unit Owners. As the governing body, the Association is responsible for the administration and operation of the Condominium Property. The Association is a nonprofit corporation organized on a non-stock basis under the Louisiana Nonprofit Corporation law and in accordance with its Articles of Incorporation. The members of the Association shall be the Owners of Units including the Declarant to the extent that the Declarant owns any Units. The initial owner of the Units shall be the Declarant. The aggregate number of votes for all members of the Association shall be the total number of Units, which at any time are constructed and ready for occupancy, with the maximum being as indicated in this Condominium Declaration, as it may be amended. Each Owner shall be entitled to that percentage of the total voting power of the membership equal to its Share of ownership in the Common Elements attributable to its interest in a Unit or Units, as provided in Article 4.8 hereof. The Board of the Association shall be elected by the said Owners in accordance with the articles of incorporation and the by-laws of the Association. Each Unit Owner shall automatically become a member of the Association upon acquisition of such Unit. A Unit Owner's membership in the Association shall automatically terminate when it ceases to be a Unit Owner.

11.3 **Association By-Laws.** The by-laws of the Association shall be adopted by the Board of Directors of the Association.

11.4 **Duties and Powers of the Association.** The duties and powers of the Association shall be those set forth in the Act, this Condominium Declaration and the by-laws, together with those reasonably implied to effect the purposes of the Association and this Condominium Declaration; provided, however, that if there are conflicts or inconsistencies between this Condominium Declaration and the by-laws, the terms and provisions of this Condominium Declaration shall prevail. The Unit Owners covenant to vote in favor of such amendments to the by-laws as will remove such conflicts or inconsistencies.

In the event of any dispute between Unit Owners relating to the Condominium Property, or in the event of any issues respecting the application or interpretation of any of the Condominium Documents, such dispute shall be submitted to the Board for resolution, and the decision of the Board shall be binding on each of such Unit Owners.

The powers and duties of the Association shall be exercised in the manner provided by the by-laws, and any duties or rights of the Association which are granted by or to be exercised in accordance with the provisions of this Condominium Declaration shall be so exercised.

11.5 Delegation to Manager. To the extent permitted by law, the duties and powers of the Board may be delegated to a Manager pursuant to the terms of a Management Agreement approved by the Board, except that wherever this Condominium Declaration or the Act specifically requires the act or approval of the Board, such act or approval must be that of the Board done or given in accordance with the by-laws. Any Management Agreement entered into by the Association must provide that the Management Agreement may be terminated by the Association without penalty upon advance notice of not more than ninety days.

11.6 Notices. All official written notices or demands required by this Condominium Declaration or by Articles of Incorporation or by-laws of the Association may be given by the Association to Unit Owners or by Unit Owners to the Association and other Unit Owners, by personal delivery, or by registered or certified mail addressed to the municipal address of the Unit, or the registered office of the Association, or as otherwise directed by a Unit Owner or the Association in writing, delivered in accordance with one of the methods set forth above.

11.7 Application of Income and Common Surplus. All income received by the Association and all Common Surplus may, in the discretion of the Board, be used to reduce prospective Common Expenses prior to establishing the annual Assessment for Common Expenses, or to establish such reserves as the Board may determine.

11.8 Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Condominium designed to make the Condominium safer than it otherwise might be. NEITHER THE ASSOCIATION, THE DECLARANT, NOR ANY SUCCESSOR DECLARANT SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY WITHIN THE CONDOMINIUM PROPERTY, NOR SHALL ANY OF THEM BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR OF EFFECTNESS OF SECURITY MEASURES UNDERTAKEN. NO REPRESENTATION OR WARRANTY IS MADE THAT ANY FIRE PROTECTION SYSTEM, BURGLAR ALARM SYSTEM OR, OTHER SECURITY SYSTEM CAN NOT BE COMPROMISED OR CIRCUMVENTED, NOR THAT ANY SUCH SYSTEMS OR SECURITY MEASURES UNDERTAKEN WILL IN ALL CASES PREVENT LOSS OR PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. EACH UNIT OWNER ACKNOWLEDGES, UNDERSTANDS AND COVENANTS TO INFORM ITS EMPLOYEES, AGENTS, INVITEES, GUESTS AND TENANTS THAT THE ASSOCIATION, ITS BOARD OF DIRECTORS AND COMMITTEES, DECLARANT, AND ANY SUCCESSOR DECLARANT ARE NOT INSURERS AND THAT EACH PERSON USING THE CONDOMINIUM ASSUMES ALL RISKS FOR LOSS OR DAMAGE TO PERSONS, TO UNITS AND TO THE CONTENTS OF UNITS RESULTING FROM ACTS OF THIRD PARTIES.

11.9 Power of Attorney. An irrevocable power of attorney coupled with an interest is granted by the Unit Owners to the Board, acting on behalf of the Association, to the extent of the powers and rights given to the Board or the Association by the provisions of this Declaration.

ARTICLE XII. **INSURANCE**

The following provisions shall govern insurance coverage for the Condominium Property:

12.1 Authority to Purchase. Except for Builder's Risk and other insurance furnished by Declarant or any Unit Owner during construction, the Association shall purchase, for the benefit of the Unit Owners and their respective Mortgagees, as their interests may appear, all casualty insurance policies and, if the Board determines to purchase flood insurance, flood insurance policies on the Condominium Property (excluding coverage of additions to, improvements within, and decoration of the Units, unless the Board, in its sole discretion, determines to obtain such coverage). The Association shall provide for the issuance of certificates of insurance to Mortgagees upon request.

12.2 Coverage. The Association shall at all times, to the extent reasonably available, maintain insurance as follows:

(a) The Condominium Property, including the Building, and all other insurable improvements upon the Land (including, without limitation, the Common Elements and the Units, but not including property supplied or added by Unit Owners to its Unit), and all personal property as may be owned by the Association and used in management of the Condominium (but not personal property of the Unit Owners) shall be insured against casualty loss in an amount (after application of any deductibles) not less than the full value cost of the insured property, exclusive of land, excavations, foundations, and other items normally excluded from such coverage. Such coverage shall afford protection against all risks of direct physical loss commonly insured against including:

(i) Loss or damage by fire, and other hazards covered by the standard "extended coverage" endorsements;

(ii) Loss or damage by flood under standard coverage provided by the National Flood Insurance Program, if the Board, in its discretion, determines such coverage to be necessary;

(iii) Such other risks as from time to time customarily shall be covered with respect to buildings similar to the Building in construction, location, and use, including, but not limited to, vandalism, malicious mischief, and windstorm damage.

(b) Comprehensive general liability insurance, including medical payments insurance, in such form and in such amounts as shall be required by the Board, including, but not limited to, coverage for all occurrences commonly insured against for death, bodily injury, and

property damage arising out of or in connection with the use, ownership, or maintenance of the Common Elements. All liability insurance shall contain cross-liability endorsements to cover liabilities of the Unit Owners as a group to a particular Unit Owner.

(c) Workmen's Compensation Insurance to meet the requirements of law;

(d) Fidelity insurance or fidelity bond coverage, in such amounts, and containing such provisions, as may be reasonably required, protecting against acts of dishonesty by the Association's officers, directors, and employees responsible for handling funds, regardless of whether such persons are compensated for their services; and

(e) Insurance covering such other risks and hazards as the Board may from time to time determine necessary.

12.3 Premiums. All premiums upon insurance policies purchased by the Association shall be paid by the Association and shall constitute a portion of Common Expenses.

12.4 Insurance Policies. All insurance policies on the Condominium Property obtained and continued in effect by the Association for the benefit of the Unit Owners, as hereinabove provided, shall be written in the name of the Association, which shall act as trustee for each individual Unit Owner and its Mortgagee or lien holder, if any. The Unit Owners and their Mortgagees or lien holders shall be beneficiaries, even though not expressly named in the policies, in the Shares in which the Unit Owners have an interest in the Common Elements, as provided in Article IV hereinabove. Each policy shall contain a Louisiana standard mortgage clause in favor of each Mortgagee of the Units and shall provide that any loss thereunder shall be payable, to such Mortgagees as their interest may appear, subject, however, to general "loss payment" provisions in favor of the Association, as herein provided.

The Association shall be required to make every effort to secure insurance policies providing:

(a) Waivers of subrogation by the insurer as to any and all claims against the Association, its members, officers or the Board, and any of the Unit Owners and their respective employees, servants, agents, tenants, families, and guests;

(b) Waivers of defenses based upon co-insurance or acts of the insured (which shall include each Unit Owner);

(c) That each Unit Owner shall be an insured person under the policy with respect to liability arising out of its ownership of an interest in the Common Elements or membership in the Association;

(d) That the policies shall not be cancelable, invalidated, suspended, or substantially modified for any reason, including on account of the conduct of the Association, its members or the Board, or any of the Individual Unit Owners, their employees, servants, agents,

tenants, families, or guests, without at least thirty (30) days' prior written notice to each named insured, including Mortgagees of the Unit Owners;

(e) That the policies shall not be cancelable or voidable or that recovery thereunder will not be conditioned by reason of any act or omission of any Unit Owner, unless acting within the scope of its authority on behalf of the Association;

(f) That the "no other insurance" clause in the policies shall exclude the individual Unit Owners' policies, from consideration; and

(g) That the insurance coverage provided by the policies obtained by the Association shall be primary and shall not be brought into contribution with other insurance in the name of Unit Owners or their Mortgagees.

12.5 Association as Insurance Trustee. The Association is irrevocably designated as trustee for each of the Unit Owners and their Mortgagees, if any, for purposes of adjusting all claims for losses with the insurance carriers on all Policies obtained and continued in effect by the Association, and for purposes of granting and executing releases upon payment of claims, and the Association, shall have full control of the proceeds of any such policies for purposes of repair and reconstruction, as hereinafter provided in Article XIII. All insurance policies purchased by the Association pursuant to this Article XII shall provide that all proceeds from such policies shall be payable to the Association, for the benefit of the Unit Owners and Mortgagees, as their interests may appear.

12.6 Insurance Obtained by Unit Owners. Any Unit Owner may obtain for its own benefit or for the benefit of its Mortgagee, and at such Unit Owner's own expense, separate or additional insurance on the interest in its Unit against loss by fire, flood, or other casualty which may or may not be covered by a blanket or master policy obtained and maintained in effect by the Association as hereinabove provided. An individual Unit Owner may also obtain for its own benefit and at its own expense insurance coverage for personal liability in excess of that covered by the blanket or master policies maintained by the Association and for casualty losses of any improvements made by an owner to the immovable property within its Unit, the personal property of the Owner or Occupant situated within the Unit and of other portions of the Condominium Property not covered by the master policy. Such insurance may be of the type of coverage generally referred to as, or similar to, "contents insurance" or "tenant improvements and betterments coverage" and shall contain the waiver of subrogation referred to in Subsection 12.4(a) above.

12.7 Application of Insurance Proceeds. Proceeds of casualty insurance policies received by the Association, as trustee for the Owners and their Mortgagees or lien holders, shall be distributed as provided in Article XIII.

ARTICLE XIII.
RECONSTRUCTION OR REPAIR OF CASUALTY DAMAGE

13.1 Casualty Affecting Common Elements and Units. In the event of destruction or damage to any part of the Units and the Common Elements, reconstruction and repairs shall be made as follows:

(a) If the Board determines that less than two-thirds of the total square footage of all of the Units are rendered uninhabitable as a result of a fire or other casualty that damages or destroys one or more of the Buildings, the Association shall arrange for the prompt repair and restoration thereof unless (i) such reconstruction and replacement will be illegal under state or local health or safety statutes or ordinances, or (ii) the members of the Association, by a majority vote of the votes of the Association, elect not to rebuild. If it is determined that such Building(s) is (are) not to be reconstructed or repaired then that part of the Condominium Property not to be repaired shall be withdrawn from the Condominium regime in accordance with Article XVI.

(b) If the Board determines that more than two-thirds of the total square footage of all of the Units are rendered uninhabitable as a result of a fire or other casualty that damages or destroys the Building(s), the Association shall not repair the damage or restore the Building unless (i) the members of the Association, by a majority vote of the votes of the Association, elect to rebuild, and (ii) such reconstruction and replacement would be permitted under state or local health or safety statutes or ordinances. If it is determined that such Building(s) is (are) not to be reconstructed or repaired, then that part of the Condominium Property not to be repaired shall be withdrawn from the condominium regime in accordance with Article XVI.

(c) Any restoration or repair shall be substantially in accordance with (i) the plans of the original Building(s) so restored or repaired or (ii) plans and specifications approved by the Board and the members of the Association by a majority vote of the votes of the Association.

Repairs and restoration of the Building(s) as provided herein shall include any damaged Units therein to the extent that portions of such Units are covered under the blanket or master fire and casualty policy or policies carried by the Association.

(d) If damage resulting from a casualty is to be repaired in accordance with the foregoing provisions, after the occurrence of a casualty causing damage to more than one Unit or any portion of both the Common Elements and any one or more of the Units, the Association shall obtain reliable and detailed estimates of the cost of repairs or replacements so as to place the damaged property in a condition as good as that existing before the casualty. The Board, acting as trustee, shall disburse the proceeds of all insurance policies to contractors engaged in such repair and restoration through appropriate progress payments. Any excess of insurance proceeds over the costs of such repairs and restoration shall be distributed to each Unit Owner in accordance with its respective Share, or if there is a mortgagee endorsement, then jointly to each such Unit Owner and Mortgagee of such Unit Owner. Any costs of such repairs and restoration in excess of available insurance proceeds shall constitute a Common Expense, and the Board shall make Assessments against all Unit

Owners in sufficient amounts to provide funds to pay the estimated costs of repairs and reconstruction of damaged or destroyed Common Elements. Additional Assessments may be made at any time during or following the completion of construction. All such Assessments shall be divided among the Units in accordance with each Unit Owner's Share.

(e) If the entire Condominium is not repaired or replaced, (i) the insurance proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Condominium unless the Condominium is terminated, in which case none of the insurance proceeds shall be applied to restoration, (ii) the insurance proceeds attributable to Units that are not rebuilt shall be distributed to the owners of those Units, and (iii) the remainder of the proceeds shall be distributed to all the Unit Owners in accordance with each Unit Owner's Share. If the Unit Owners vote not to rebuild a particular Unit that Unit's entire Share, votes in the Association, and common expense liability shall be reallocated under Section 1121.107 of the Act as if the Unit had been condemned, and the Association shall prepare, execute, and record an amendment to the Condominium Declaration reflecting such reallocations.

13.2 Casualty Affecting Common Elements Exclusively. If only the Common Elements, or portions thereof, are destroyed or damaged, said portions shall be reconstructed or repaired by the Association, unless it is determined in accordance with Article XVI that the Condominium or part thereof shall be terminated and the Condominium Property or part thereof be withdrawn.

13.3 Casualty Affecting Units Exclusively. If damage or destruction occurs only to those parts of one or more Units for which the responsibility of maintenance and repair is that of the individual Unit Owner, then the Unit Owner shall be responsible for reconstruction and repair or replacement after casualty. If any portion of the insurance proceeds payable to the Association upon occurrence of a casualty covered under the blanket or master policy is payable on account of damages the reconstruction and repair of which is the responsibility of the individual Unit Owner, then the Association shall pay over such portion of any insurance proceeds to the Unit Owner, or if there is a mortgagee endorsement, then to the Unit Owner and Mortgagee jointly, who shall use such proceeds for repair and reconstruction of the damaged or destroyed portions of the Unit substantially in accordance with the original plans and specifications of the Unit or in accordance with such other plans and specifications as may be approved by the Board.

13.4 Loss of Use. Neither Declarant, the Association, nor any Unit Owner shall be obligated to compensate any Unit Owner for loss of use and occupancy of its Unit pending reconstruction or termination of the Condominium.

ARTICLE XIV.

ASSESSMENTS, COMMON EXPENSES, AND COMMON SURPLUS

14.1 General. Assessments against the Units and the Unit Owners for Common Expenses and the distributions, if any, of Common Surplus shall be made by the Board pursuant to the provisions of this Article and the by-laws.

14.2 Share of Common Expenses and Common Surplus. Each Unit Owner, effective upon purchase of its Unit, shall share in and be liable for the Common Expenses and be entitled to share in the Common Surplus in accordance with such Owner's Share.

14.3 Non-Proportionate Allocation of Assessments. The Board may, at its discretion, to the extent necessary to accomplish a fair and equitable allocation of those costs of operation of the Condominium which are attributable to services which are enjoyed to a materially disproportionate extent by one or more Units and the occupants thereof, or in the event of repairs at maintenance required on account of misuse, negligence, or violation of applicable rules and regulations on the part of any Unit Owner, allocate certain of the Common Expenses among the Units in a manner other than in proportion to their respective Shares.

14.4 Annual Assessments for Common Expenses. Assessments for Common Expenses shall be made annually in advance by the Board based on estimated annual Common Expenses and adequate reserves for future Common Expenses, all as more particularly provided in the by-laws. Such Assessments shall be payable in such installments and on such term and conditions as the Board may provide.

14.5 Assessments for Emergencies. Assessments for Common Expenses for Emergencies may be made by the Board in accordance with the provisions of the by-laws and shall be due and payable at the time specially provided by the Board in making such emergency Assessments but shall otherwise be apportioned and collected in the same manner as annual Assessments for Common Expenses.

14.6 Special Assessments. Any special Assessments levied within the authority granted to the Association or the Board elsewhere in this Condominium Declaration or in either of the Condominium Documents, shall be made, apportioned, and collected in the manner particularly set forth in those provisions of the Condominium Documents authorizing the Assessment or in the action of the Board in making the Assessment, and in lieu thereof in the same manner as annual Assessments for Common Expenses.

14.7 Liability for Assessments. Each purchaser of a Unit from the Declarant shall be liable for all Assessments accruing against its Unit on and subsequent to the date of closing of the act of transfer of such Unit from the Declarant. Any purchase from an individual Unit Owner, except a purchase at a judicial sale, shall cause purchaser to be liable for all Assessments made against such Unit both prior to and subsequent to the acquisition by such purchaser. A purchase at a judicial sale shall cause purchaser to be liable for all Assessments against the purchased Unit accruing after the

sale, but shall not be liable for such Unit's unpaid Assessments which accrued prior to the acquisition of title to such Unit by such purchaser, except for any pro-rata reallocation of such Assessments to all Units including the purchased Unit. Each Unit Owner shall be personally liable to the Association for all sums assessed against its Unit for its share of the Common Expenses. Joint owners of Units shall be liable jointly, severally, and in solido for such Assessments. A former Unit Owner shall not be liable for payment of any Assessment for Common Expenses accruing subsequent to a bona fide sale or other transfer of its Unit (made in accordance with Article IX hereinabove) but shall remain liable jointly, severally, and in solido with the transferee of the Unit for payment of all previously accrued Assessments which were due at the time of transfer of the Unit.

Any Unit which because of damage or destruction has been withdrawn from the condominium regime in accordance with Article XVI hereof and the Owner thereof shall be released from the obligations to pay Common Expenses and the Assessments therefor accruing after the date of such withdrawal.

14.8 Interest, Penalties and Liens. Assessments and installments thereon, paid on or before ten (10) days after the date when due shall not bear interest, but all sums paid after such period shall bear a late fee of twenty-five and no/100 (\$25.00) dollars. Assessments not paid within thirty (30) days after the date when due shall bear interest at the rate of twelve (12%) percent per annum from the date when due until paid. All payments upon account shall be first applied to interest and then to the Assessment payment first due. Failure to pay any monthly installment of any Assessment shall, at the option of the Board, mature the entire annual Assessment for Common Expenses and the same shall be due and payable immediately. The Unit Owner agrees to pay reasonable attorney's fees, and costs actually incurred by the Association, in connection with the collection of any Assessments. The Board may assert a lien against such Unit Owner's Unit in accordance with the Act. The lien for unpaid Assessments provided by the Act shall also secure court costs and reasonable attorney's fees incurred by the Association incident to the collection of such Assessment or endorsement of such lien. As provided in the Act, any lien imposed by the Association against a Unit shall be subordinate to the lien of any mortgage against such Unit duly recorded prior to the date of recordation of such lien in favor of the Association. The lien in favor of Association shall not be affected by a transfer of the Unit except in connection with foreclosure by a superior lien holder.

14.9 Records and Certificates. The Association shall keep in its offices current copies of the Condominium Documents and shall maintain financial statements and accounting records according to good accounting practices and as provided in the by-laws of the Associations, which accounting records shall include:

- (a) An itemized record of all receipts and expenditures; and
- (b) A separate account for each Unit which shall indicate: (i) the name and address(es) of the Unit Owner, (ii) the amount and due date of each Assessment for Common Expenses pertaining to the Unit, (iii) amounts paid on the account by each Owner, and (iv) any balance due. A Unit Owner and its Mortgagee or a prospective purchaser of a Unit shall have the

right to obtain from the Association a certificate showing the amount of unpaid Assessments with respect to the Unit.

Unit Owners may inspect the Condominium Documents and such financial statements and accounting records at the Association's offices during normal business hours.

ARTICLE XV.

COMPLIANCE AND DEFAULT

15.1 General. Declarant and each Unit Owner shall be governed by and comply with the terms of the Condominium Documents and of the rules and regulations adopted pursuant thereto, as the same may be amended from time to time. In accordance with the Act, all of the provisions hereof shall be deemed to have the force of law as among individual Unit Owners. A default shall entitle the Association or other Unit Owners to the relief set forth below.

15.2 Cure of Default. In the event of default by any Unit Owner, the Board shall have the authority to direct the Association to take whatever action may be necessary, in its discretion, to correct such default. Any expenses incurred by the Association shall be assessed against the defaulting Unit Owner and Unit owned by such Unit Owner.

15.3 Legal Proceedings. Failure of Unit Owners to comply with any of the terms of the Condominium Documents and rules and regulations adopted pursuant thereto or any obligations imposed thereby shall be grounds for relief which may include, without intending to limit the same, an action to recover sums due for damages, injunctive relief, foreclosure of lien or any combination thereof or such other remedies as may be provided by law, any of which relief or remedies may be sought by the Association or by an aggrieved Unit Owner. A Unit Owner shall also have the right to proceed against the Association for any remedies provided by law in the event the Association does not perform the duties imposed upon it by the Act and the Condominium Documents.

15.4 Costs and Attorney's Fees. In any proceeding arising because of an alleged default by a Unit Owner, if the Association should be the prevailing party, it shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be determined by the Court.

15.5 No Waiver of Rights. The failure of the Association or Unit Owner to enforce any right, provision, covenant, or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association or Unit Owner to enforce such right provision, covenant, or condition.

15.6 Commutation of Rights. All rights, remedies, and privileges granted to the Association or a Unit Owner pursuant to any terms, provisions, covenants, or conditions of the Condominium Documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the exercise of such other and additional rights, remedies, or privileges as may be granted to such party by the Condominium Documents or by law.

ARTICLE XVI.
AMENDMENT

The Condominium Documents may be amended in the following manner:

16.1 Amendments to Condominium Declaration by Declarant. Each Unit Owner hereby grants to Declarant the irrevocable power, coupled with an interest to execute, on behalf of each Unit Owner, any of the amendments to the Condominium Declaration described below, containing such additional terms as the Declarant, in its sole discretion, deems necessary or advisable, which amendments shall be effective upon registration among the records of the Register of Conveyances of East Baton Rouge Parish:

(a) Any amendment that alters the dimensions of, or creates additional Units or Common Elements out of, any Units owned by the Declarant, provided that such alteration does not affect the dimensions of any Unit(s) previously sold by the Declarant;

(b) Any amendment to this Condominium Declaration containing a revised Condominium Plan, in the event the actual horizontal and vertical boundaries and measurements of any Unit as built, differ from that shown on the Condominium Plan attached hereto;

(c) Any amendment that changes the designation of the any of the Units, before any of the Units are sold by the Declarant to third parties;

(d) Any amendment that clarifies any apparently conflicting provisions hereof, any provisions which conflict with the Act, and/or to correct any mistakes or errors of a clerical nature resulting from typographical or similar errors;

(e) Any amendment that modifies the provisions of this Declaration in order to comply with the requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Administration, or any other governmental agency or any other public, quasi-public, or private entity which performs, or in the future performs, functions similar to those now performed by such entities, and/or to induce any of such agencies or entities or other lenders to make, purchase, sell, insure, or guarantee any mortgages affecting any of the Units; provided, however, that none of the amendments described above shall affect or impair the lien of any mortgage then of record upon a Unit or any representations or warranties made by a Unit Owner in connection with the making, purchase, insurance, or guarantee of any mortgage then of record on any Unit.

AND TERMINATION OF THE CONDOMINIUM

The Condominium Property or any part thereof may be withdrawn from the condominium regime, and the Condominium terminated with respect thereto in the following manner.

17.1 **Voluntary Withdrawal.** The Condominium Property, or a part thereof, may be withdrawn from the Condominium regime by unanimous agreement of Unit Owners, which agreement shall be evidenced by an instrument or instruments executed in the manner required for conveyance of real property. If any of the Units in the Building is voluntarily withdrawn, all of the Units in the Building must be withdrawn. The withdrawal of Condominium Property and termination of the condominium regime with respect thereto shall become effective when an amendment to the Condominium Declaration authorizing such withdrawal has been registered in the Conveyance Office of East Baton Rouge Parish. The consent of any Mortgagees or other lien creditors of the Unit or Unit(s) to be withdrawn shall be obtained before such portion of the condominium Property may be withdrawn.

17.2 **Destruction.** If it is determined in the manner elsewhere provided that any portion of the Condominium Property which has been destroyed or damaged as a result of casualty shall not be reconstructed, such portion of the property will be withdrawn from the Condominium regime and the Condominium regime terminated with respect thereto. Termination upon a determination not to reconstruct after casualty shall be implemented by the preparation, execution, and recordation by the Association of an amendment to the Condominium Declaration containing a legally sufficient description of the immovable property withdrawn and stating the fact of such withdrawal by a certificate of the Association certifying the facts affecting the termination, which certificate shall become effective upon being registered in the Conveyance Office of East Baton Rouge Parish. If only a portion of the Condominium Property is being withdrawn, the amendment shall reallocate the Share(s) attributable to the withdrawn Unit(s) to any Unit(s) remaining in the Condominium in proportion to the respective Share(s) of those remaining Unit(s).

17.3 **Status of Property After Withdrawal.** Upon withdrawal of the Condominium Property or any part thereof from the Condominium regime pursuant hereto, the part so withdrawn shall be deemed to be owned in in-division by the Owners of Units of the Condominium property so withdrawn. The percentage of undivided ownership of a Unit Owner in the withdrawn Condominium Property shall be equal to its former Share, divided by the aggregate Share in such Common Elements of all Unit Owners whose Units are withdrawn. Liens upon individual Units withdrawn shall, following their withdrawal, be upon the respective undivided share of the Unit Owners in the withdrawn property.

17.4 **Partition of Condominium Property.** Following withdrawal of the Condominium Property or any part thereof, such Condominium Property shall be subject to partition by the action of any owner of the withdrawn Condominium Property. In the event of sale of the withdrawn Condominium Property by the co-owners, upon consummation of such sale the proceeds therefrom

shall be paid to the Unit Owners in proportion to their respective undivided interests in the Condominium Property, after all claims secured by liens on the Unit Owned shares of interest in the withdrawn Condominium Property have been satisfied.

17.5 Disposition of Assets. All funds held by the Association and insurance proceeds, if any, shall be held jointly for the former Unit Owners in proportion to the Share of each Unit Owner. All costs incurred by the Association in connection with the termination of the condominium regime and withdrawal of the Condominium Property shall be a part of the Common Expenses. Any surplus remaining after complete disposal of the withdrawn property shall be distributed to the former Unit Owners in proportion to their respective Share.

ARTICLE XVIII.

ARTICLE XXI.

EMINENT DOMAIN

21.1 General Provisions. If all or any part of the Condominium Property is taken or threatened to be taken by eminent domain or by power in the nature of eminent domain (whether permanent or temporary), the Association exclusively shall be entitled to participate in proceedings incident thereto, on behalf of the Unit Owners. Each Unit Owner appoints the Association as such Unit Owner's attorney-in-fact for such purpose. The Association shall give timely written notice of the existence of such proceedings to all Unit Owners and to all Mortgagees known to the Association to have an interest in any Unit. The expense of participation in such proceedings by the Association shall be borne by the Association, and charged as a Common Expense. The Association

is specifically authorized to obtain and pay for such assistance from attorneys, appraisers, architects, engineers, expert witnesses and other persons as the Association in its discretion deems necessary or advisable to aid or advise it in matters relating to such proceedings. All damages or awards for such taking shall be deposited with the Association and such damages or awards shall be applied, as determined by the Board, to defend or resist any such proceeding, to make any settlement with respect thereto, or to convey such property to the condemning authority in lieu of such condemnation proceedings.

21.2 Taking of Common Elements Exclusively. With respect to any taking of the Common Elements exclusively, all damages and awards shall be determined for such taking as a whole and not for each Unit Owners interest therein. After the damages or awards for such taking are determined, such damages or awards shall be paid to the account of each Unit Owner of a Unit so taken and such Unit Owner's Mortgagee, if any, as their interest may appear in accordance with the Share of each such Unit Owner, unless the Board determines to restore the Common Elements. If it deems advisable, the Board may call a meeting of the Unit Owners, at which meeting the Unit Owners, by a majority of the voting power of the Association, shall decide whether or not to replace or restore the Common Elements so taken or damaged,.

21.3 Taking of Less Than Twenty-Five (25%) Percent. In the event such eminent domain proceeding results in the taking of or damage to less than twenty-five (25%) percent of the total square footage of all of the Units, then the damages and awards for such taking shall be determined for each Unit and the following shall apply:

(a) The Association shall determine which of the Units damaged by such taking may be made usable for the purposes set forth in this Condominium Declaration, taking into account the nature of the Condominium and the reduced size of each Unit so damaged.

(b) The Association shall determine whether it is reasonably practical to operate the remaining Units of the Condominium including those damaged Units which may be occupied as a condominium in the manner provided in this Condominium Declaration.

(c) In the event the Association determines it is not reasonably practical to operate the undamaged Units and the damaged Units which can be made usable, then the Condominium shall terminate and the Condominium Property shall thenceforth be owned by all Unit Owners, as owners in in-division, in the percentage ownership interest previously owned by each Unit Owner. The Association shall promptly file with the Register of Conveyances of the Parish of East Baton Rouge such documents as may be necessary to terminate the condominium regime.

(d) In the event the Association determines it will be reasonably practical to operate the undamaged Units and the damaged Units which can be made usable then the damages and awards made with respect to each Unit which has been determined to be capable of being made usable shall be applied to repair and to reconstruct such Unit so that it is made usable. If the cost of such work exceeds the amount of the award, the additional funds required shall be assessed against those Units which we usable. With respect to those Units or portions thereof which may not

be usable, the award made shall be paid in accordance with the Share of each Unit Owner of such nonusable Unit or portion thereof, and the remaining portion of such Units, if any, shall become a part of the Common Elements. Upon payment of such award for the account of such Unit Owner as provided herein, such Unit shall no longer be susceptible of independent ownership as a part of the Condominium Property and the percentage ownership interest in the Common Elements appurtenant to each remaining Unit which shall continue as a part of the Condominium property shall be allocated to the remaining Units in the same proportion that the Shares of the remaining Unit owners bear among themselves.

21.4 Taking of More Than Twenty-Five (25%) Percent. If the entire Condominium Property is taken, or more than twenty-five (25%) percent of the total square footage of all of the Units are taken or damaged by such taking, all damages and awards shall be paid to or for the amounts of the Unit Owners of Units or their Mortgagees; if any, as their interests may appear, as provided herein, in proportion to their respective Share; and this condominium regime shall terminate upon such payment. Upon such termination, the Condominium Property shall be owned in in-division by all Unit owners in the same proportions as previously owned by each Unit Owner in the Common Elements.

Any damages or awards provided in the Article shall be paid to or for the account of any Unit Owner and Mortgagee, if any, as their interests may appear.

ARTICLE XXII.
