About Wealth Advocacy

Wealth Advocacy is a consulting agency founded in 2017 with the mission to bring sophisticated experience and backgrounds to help diverse people, organizations, and institutions. With both local in market and virtual consultants our robust business model can gather and deliver world class specialized advice for our clients. We are a multifaceted and experienced group of advisors and consultants whose knowledge and combined experience provides expertise in a variety of areas such as cash flow analysis, financial oversight, budgeting, leadership practices, communication skills, interpersonal dynamics, enterprise value, and risk management. We are proponents and facilitators of stakeholder collaboration with the belief that this process will achieve the best result.
