GOD TOLD ME TO TELL YOU THIS:

He will gradually be sending more Floods, illnesses and Disasters

Until we have made the world clean and healthy and

Beautiful. He told me that WE can demolish our buildings &

Begin sailing together. If there is a fire, flood or plague

We are safer in a boat. He also said that sailing is scary & hard.

We need each other & much knowledge in order to survive

And thrive in the future He is creating in us Generationally.

A night landscape featuring a dark sky with a bright sun or moon low on the horizon, casting a glow over a range of mountains. In the foreground, a calm lake reflects the light and the dark silhouettes of the mountains and trees. The overall scene is serene and atmospheric.
