**ORENDA**

*The mystical force present in all people that  
can empower them to affect the world, or  
to effect change in their own lives.*

To Whom It May Concern,

Today in Miami, an estimated 1 in 5 children live in the most dangerous, hopeless and abject poverty any of us could ever imagine. Many of these children will fall victim to sex trafficking or forced labor, or abuse and neglect, while others will run away to ride out their storm of desperation in downtown alleyways or bridge encampments. 1 in 5 children. The lucky ones, the lucky few, will be rescued by organizations embedded in the community. But the demand is too great, their resources too few, and too many young children are left wanting and alone. **They need our help.**

For that reason, **we ask for your support.** Orenda Miami has partnered with heroes like the Kristi House , Project Gold & CHANCE Program, three programs rescuing children every day from homelessness, and abuse, or sex trafficking, and successfully guiding them beyond their somber past and into a brighter future. Together, with your support, we can reinforce their efforts and **help more children break free** from this cycle of indescribable need.

On behalf of Orenda Miami and our community partners, we sincerely thank you for your consideration and support. We hope to create a lasting partnership with you and we look forward to seeing you at our 2018 Crawfish Boil Fundraiser. Please review our "Donation Matrix" attached hereto, and we kindly ask that you consider generously supporting our cause. We are eager to discuss with you how your donations will be invested, and how **Orenda Miami will support our heroes and the vulnerable children of Miami.** Please review our website for future events and to learn more, at [www.orendamiami.com](http://www.orendamiami.com), or contact me directly.

Sincerely,

*Erick Lora*
