

✦ LIGHTWORKER ACTIVATION CLASS ✦

An 8 Week Journey To Activate Your Lightworker Consciousness

Learn about your abilities as a Lightworker and how to activate your inner light so that you can step forward on your journey as a powerful being of Light. During this 8 week class, students will learn all about what it means to be a Lightworker, how to activate and use your Lightbody, how to start working with light, as well as how to begin to transform negative subconscious programming to be able to embody and share more light.

Classes will include detailed discussions, guided meditations, light activations, connecting with peers in breakout rooms, subconscious exploration, reflection exercises, and homework

Tuesdays, October 29th - December 17th
6-7:30pm via Zoom
