

INT. POLICE STATION- LATE EVENING

JUSTINE and BRYNN sitting in separate interrogation rooms in a police station being interviewed by policemen. JUSTINE is only shown at first.

JUSTINE

I can't believe it. We are best friends. I don't get why she did it.

CUT TO:

BRYNN

I didn't do it. I couldn't have done it. I couldn't have.

EXT. SCHOOL - MIDDAY

Brynn, Madeline, and Justine are sitting down for lunch and chatting about their plans for the long weekend. They are walking through the hall.

BRYNN

Do you guys still wanna go to my cabin this weekend?

MADELINE

I'm down.

JUSTINE

Yes, I can't wait!

BRYNN

I think we have to take two cars though, because my parents want me to bring up all their crap to the cabin. I only have space for one person.

MADELINE

I wanna go with Brynn.

JUSTINE

I don't know if I can get the car for the whole weekend though.

Madeline stands up and Brynn shrugs and walks away.

CUT TO:

EXT. BRYNN'S HOUSE AFTERNOON

The girls pack up the cars outside Brynn's house.

MADELINE

Wait guys, we can try out the new polaroid camera I got for my birthday.

They take a group picture on a Polaroid camera. They get in their respective cars and leave.

CUT TO:

Brynn and Madeline in the car driving up to the cabin.

EXT. CABIN AFTERNOON

The girls get out of the car and walk in, carrying the stuff inside. Montage of them all settling in and they sit down on the couch.

BRYNN

Wanna play Spot it?

JUSTINE

I'll get the cards

Brynn gets up to grab the cards, pulls out cards and starts dealing out. The girls start playing.

MADELINE

Did you see Johnny's Instagram story?

JUSTINE

With his new girl?

BRYNN

AHA no way! She looks just like you

JUSTINE

He moved on fast. If Tristan and I broke up, I don't think he would get with someone for a long time.

BRYNN

Sorry babe, but he'd definitely hit on all the girls as soon as you broke up.

JUSTINE

Maybe, but I'm not worried. We won't be breaking up any time soon.

Justine slaps down her card in triumph, shots of Madeline and Brynn shoot each other with sneaky looks. They play more and shots of them laughing and being competitive. Happy friend montage.

BRYNN

I'm kinda tired. Justine you're on the blow up mattress.

JUSTINE  
Whatever.

Justine looks pissed off and rolls her eyes. The girls are all getting ready for bed then they get into bed to go to sleep.

JUSTINE  
Night guys.

No one replies. Justine was trying to sleep and Madeline and Brynn are facing each other and whispering

MADELINE  
Do you not feel bad for sleeping  
with Tristan?

BRYNN  
No, it was fun. We kind of have a  
thing going. As long as Justine  
doesn't find out we're good.

MADELINE  
Yeah but it's her boyfriend, I  
don't know girl, be careful.

JUSTINE  
(whispering)  
What the hell?!

BRYNN  
It's fine. If she hasn't found out  
by now she never will.

Justine looking shocked and confused

BRYNN  
He never liked her. He said he's  
only with her because he feels bad  
for her.

Justine cries quietly and Madeline and Brynn laugh and go to sleep. The girls wake up to Justine packing up her stuff.

MADELINE  
Where are you going?

JUSTINE  
I have to go, my parents told me  
to come home. Apparently  
something's happened.

BRYNN  
Drive safe babe.

Justine walks out of the house and goes to her car and leaves. Justine hides in the forest and keeps checking the time.

EXT. FOREST OUTSIDE OF CABIN - EVENING

Justine is walking towards the house from the forest. She is muttering to herself.

JUSTINE  
I can't believe it. Why didn't  
Maddie tell me?

Justine walks back to the house and turns off the power.  
CUT TO:

MADELINE  
What just happened? Umm, do you  
know where the electricity box is?

BRYNN  
Yeah it's outside. I have  
absolutely no idea how to work it  
though.

MADELINE  
I can help.

The two girls go outside and play with the power box and get the power turned back on. While they do that, Justine goes inside and hides in a closet upstairs. Madeline and Brynn come back inside and sit in the living room. They are just chilling out, Madeline is reading and Brynn starts to fall asleep.

BRYNN  
I'm actually kinda tired, I think  
I'm going to take a nap.

MADELINE  
Ok, I think I'm going to go  
upstairs and watch a movie.

Madeline nods and closes her book. She goes up the stairs. Justine comes out of hiding and stands near Madeline. Madeline gets up and goes to talk to her.

MADELINE  
When did you get back? I thought  
you were going home?

JUSTINE  
Come on Maddie, you know what she  
said.

MADELINE

What are you talking about?

JUSTINE

Stop lying. "He likes her more than me" huh?

MADELINE

Justine, I'm sorry. We didn't think you'd find out.

JUSTINE

You should've told me!

MADELINE

Justine, how could I? Brynn told me not to. And I didn't want her to get pissed at me.

JUSTINE

It's always been Brynn. You're my friend too.

Justine gets frustrated and goes to grab Madeline and she backs up and falls down the stairs. She dies. Justine starts backing away slowly, staring at Madeline. Brynn wakes up and sees Madeline at the bottom of the stairs and rushes over.

BRYNN

Maddie, are you ok?! Maddie, say something!

She starts slightly shaking Madeline's shoulders. Justine hides away from the stairs so Brynn doesn't see her.

JUSTINE

(whispering)

Oh my god, what did I do?  
Madeline, her parents, her sister  
... No, it's Brynn's fault. This is  
all her fault. *She* did it, she  
killed her... What do I do? ... think  
I need to think...

Justine looks around and sees Madeline's Polaroid camera on the desk.

JUSTINE

She deserves it Justine, just do it.

Justine goes to the stairs and looks down on Brynn sitting over Madeline. She takes a picture of Brynn standing over Madeline and the flash makes Brynn look up and see Justine.

BRYNN

Justine?! What did you do? Did you  
kill her? Oh my god, you killed  
her? What the hell is wrong with  
you?!

Justine starts to go down the steps. Brynn starts to run  
away from Justine. Brynn trips on something and hits her  
head. She lies there for a second then gets up and runs  
again. Brynn grabs her keys and gets in the car and Justine  
goes to her car and chases Brynn through some roads.  
Justine turns off to a side street and goes to the police  
station. Brynn pulls over.

BRYNN

Ughh, my head.

Brynn drives back to the house and walks in calling for  
Madeline. She goes to the stairs and sees Madeline dead.  
She screams and starts to freak out and runs out the house.  
Brynn gets back into the car and starts to go to the police  
station.

INT. POLICE STATION EVENING

Justine is in a police interrogation room at the station.  
PC BULL is in the room with her.

JUSTINE

I woke up from a nap and saw my  
friend Brynn hunched over a body.  
She killed Maddie.

Brynn is driving to the police station,  
swerving and panicking.

JUSTINE

I can't believe she killed  
Maddie!!

Justine shows the cop the picture of Brynn and Madeline  
while she's shaking and crying.

FADE IN:

Moves from photo up to Brynn now instead of Justine. Brynn  
is in shock and looks surprised.

BRYNN

No way, i couldn't have murdered  
Madeline, she's my best friend  
there's no way I could have done  
it.

Brynn stares at the photo. She looks away from the photo.

BRYNN

No, I couldn't have ----- I don't  
know... maybe I did.

FADE OUT:
