About Our Programs

Bingo is for all ages and every player walks away with a prize!

Tasty Tuesday: Green Foods - Join us on this healthy Tasty Tuesday where we will explore different fruits and vegetables that are the color green for March.

March Mural - Join us in making the third mural of 2024.

Friendship Goals Presentation - Join NJ4S on this presentation on friendship goals and how to maintain healthy relationship.

Active Parenting Class - A six week program presented by staff. ***MUST ATTEND ALL 6 CLASSES TO GET CERTIFICATE***

Introduction to Brain Injury - A webinar presented via Zoom by the Brain Alliance of NJ.

Resource Fair - Join us and NJ4S in an event where we share local and statewide resources.

Penny STEM Project - Help us in this science experiment where we see what can make an old penny look new again.

Internet Safety for Teens - Join NJ4S for this informative presentation that will give you tips and tricks for you and your teen to be safe while using the internet.

Just Dance - Get active and have fun with us! We will be playing Just Dance.

Welcome Spring Storytime & Craft - Join us and Patti Lewis in this fun story time and craft to kick off the beginning of Spring.

Parent Cafe - Join us and Ana Carvajal of Rutgers University in a workshop event where parents will get together and talk on a theme.

Planting Seeds of Love - Kick off the first week of Spring with us and NJ4S in planting flowers.

“Can We Talk?” Tobacco & Vaping Presentation - An in-person presentation by Rayza Michelen of the Southern New Jersey Perinatal Cooperative (SNJPC)

March Holidays

St Patricks Day - March 17th

Pi Day - March 14th

First Day of Spring - March 19th

Easter - March 31st

Make sure you set your clocks forward March 10th for Daylight Savings

HELLO
SPRING
