

CUES eVote

Smart Elections Made Easy

Credit unions have relied on CUES eVote for over 20 years. Here are a few of the many reasons you should elect CUES eVote, too.

- ✦ **We're with you, every step of the way.** A dedicated election manager is on hand to personally handle setup and answer staff and member questions once your election is under way.
- ✦ **Simple to set up.** We can have your election up and running in as little as 30 days. Enjoy additional features like Online Nominations & Petitions, allowing members to streamline director nomination packets or more easily collect signatures for simple verification.
- ✦ **Easy for your members to use.** Our highly intuitive voting platform makes participation a breeze. Plus, we offer a variety of ways to communicate with members about your election, like sign-on with online banking and text notifications, to help increase voter turnout.
- ✦ **CUES eVote is safe.** The state-of-the-art platform utilizes security features that prevent election fraud, including end-to-end encryption and regular security audits.
- ✦ **More than just board elections.** CUES eVote can also handle merger and bylaw votes, conduct membership surveys, or handle motions at your annual meeting with our Live Voting feature.
