

CUES Governance Toolkit

On-Demand Learning for Real CU Impact

CUES Governance Toolkit is a five-part, flexible learning series designed to elevate the effectiveness of your entire credit union, including your directors, committee members, board support staff and the management team. Each features expert-led videos, actionable tools, and practical resources to support stronger governance across your credit union.

Module 1: Board Communications

Promote open dialogue, manage conflict, and communicate with clarity.

Module 2: Board and Committee Chairs

Lead with focus, guide strong discussions, and engage your board.

Module 3: New Director Orientations

Expert guidance for onboarding that connects new directors to your mission.

Module 4: Strategy Forward Agendas

Craft agendas that focus discussions, simplify decisions, and drive priorities.

Module 5: Best Practice Board and Committee Minutes

Write clear, compliant minutes that support sound decisions.
