

Fresh Ideas. Fresh Connections. Even Fresher Powder.

March 9–14, 2025 | Snowmass Village, CO

Carve your path to leadership success, without wasting away in a windowless ballroom.

Execu/Summit® takes the old, stale leadership conference and reimagines it into a uniquely balanced learning experience for credit union leaders. It blends professional growth and mindful networking with a healthy dose of mountain air and outdoor adventure.

- ✦ **Mornings:** Learn the latest from industry experts and workshop your biggest challenges with fellow credit union leaders.
- ✦ **Mid-day:** Find balance and internalize what you've learned while you hit the slopes, explore Snowmass Village or relax over a steaming cup of cocoa.
- ✦ **Late Afternoon:** Continue soaking up knowledge and connections with your peers (and new-found ski pals).

Swap your corporate wear for your alpine gear and get ready to forge connections on and off the mountain.

Peak learning during peak season!

Happening during the height of ski season, Execu/Summit® and the resort regularly sell out. Secure your spot at content.cues.org/ES.
