

SPONSORSHIP **PROPOSAL**

ROBOCANES
FTC TEAM 16484

#16484

JOIN OUR JOURNEY

The ROBOCANES, Team 16484, have proudly represented St. Anthony Catholic School in Fort Lauderdale, Florida in the FIRST Tech Challenge since 2019. Our team is made up of dedicated middle school students with a shared passion for robotics and innovation.

Our mission is to inspire others by sharing the values of FIRST and fostering a passion for STEM. Along the way, we're developing critical skills in problem solving, business, decision-making, and teamwork, while promoting curiosity and creative thinking in every mind we reach.

Join us in inspiring the next generation of innovators and leaders!

Inspire. Empower. Innovate.

The background of the slide features a dark blue gradient with a prominent yellow swoosh at the top. Faintly visible in the background is a group of students, likely a robotics team, wearing blue shirts and holding trophies. The text is overlaid on this background.

THE IMPACT OF YOUR SPONSORSHIP

The ROBOCANES are excited to invite you to join us on our journey in the FIRST Tech Challenge! By becoming a sponsor, you will not only help us build competitive robots, but also empower us to inspire the next generation of engineers, innovators, and leaders.

We offer a variety of sponsorship levels, each with unique benefits and recognition opportunities to highlight your generous support.

Your sponsorship is vital to our success in the FTC program. It will provide the financial resources we need to cover essential expenses, including:

- **Robot components and building materials:** These are the building blocks of our robot and are crucial for our success in the competition.
- **Essential tools and supplies:** Having the right tools allows us to build and repair our robot efficiently.
- **Travel expenses:** Your support helps us travel to competitions, allowing us to showcase our hard work and compete against the best teams.
- **Team t-shirts and marketing materials:** These items help us represent our team and school with pride.
- **Outreach efforts:** Your contribution helps us share our passion for robotics and STEM with other students and the wider community, inspiring the next generation of innovators.
