Dennis & Joyce Becker

Dear friends in Christ,

Summer is nearly here. For many years of my life, one of the highlights of my year was spending time at EWALU Bible Camp in the summers.

I fell in love with the place the first time I was a camper, the summer before I was in 5th grade, and I spent as much time as I could there for the next several summers of my life. I had many empowering experiences, like going off a zip line even though I am terrified of heights, learning how to hike at night without a flashlight, and learning how to start a campfire even in the rain. Summer camp gave me a new way to experience my faith, singing songs around a campfire, exploring the beautiful woods that God had created, and experiencing Bible stories in new ways. I loved going stargazing at camp at night, thinking about the Bible story where God tells Abraham to look at the stars, and that's how many descendants he would have. It always seemed a little easier to believe God's promises when I was looking at a majestic, star-studded night sky.

Camp had plenty of silly times as well. Once when I was a counselor for Confirmation campers, the youngest campers were supposed to spend their evening going to the camp's farm and visiting the animals there. However, it was the first week of camp, and the farmers who lent us their animals for the summer hadn't brought the animals yet, so there WERE no animals on the farm. We still wanted those young campers to have a fun experience, though, so we Confirmation campers and counselors went to the farm before they got there, and we climbed into the animal pens and pretended to be the animals when the young campers got there! It was very silly, and we learned that sometimes living out your faith means doing silly things to help others have a good experience.

There was a counselor, one year, who made up the story that a "rabid goat" wandered the woods to scare campers that got out of their cabins without permission. His story was so over the top that none of his campers were actually scared, but they did think it was silly. Later on, we were doing a craft project, making sock puppets that we would use to put on a puppet show of the Good Samaritan story. I noticed that two of the campers were making a "rabid goat" sock puppet. "This rabid goat is going to play the part of the Good Samaritan! Because NOBODY would expect a rabid goat to be helpful, just like NOBODY in Jesus' time would expect a Samaritan to be helpful." I was impressed that this silly connection helped

the campers understand the Good Samaritan story in a deeper way.

Camp helped me learn that God has a great sense of humor and that faith is not meant to be just for Sundays, but integrated into everyday life, so that as we go through life we feel empowered to serve God and to learn about God in new ways. I pray that you have many experiences this summer that help you learn about God in everyday life!

Peace,  
Pastor Kristen

**American Lutheran Church  
Council Meeting  
April 8, 2019**

President Sara Borland called the meeting to order at 6:26 PM. Present at the meeting were Sara Borland, Maureen Even, Kaye Jones, Loren Corkery, Mike Waring, Christy Phillips, Wayne Schneider and Pastor Kristen. Absent was Christa Leach.

Devotions started with everyone's high and low for the past month. Pastor played a song from Isaiah 43 by John Hermanson.

**Secretary's Report**—Wayne Schneider made a motion to accept the secretary's report. Maureen Even seconded the motion. Motion carried.

**Treasurer's Report**—Wayne Schneider made a motion to accept the treasurer's report. Maureen Even seconded the motion. Motion carried. The checkbook balance at the end of March is \$-477.28.

**Committee Reports:**

**Memorial**—they have met 2 times. A rough draft of the committee policy was presented to the council.

**Abundant Life**—a thank you goes out to all who helped with Consecration Sunday, April 7. Extra pledge cards will be sent out to the ones who was not able to make it on April 7.

**Hospitality**—met on April 4 and discussed on what items to put into the church welcome bags. They hope to have the bags ready by Easter Sunday. Easter breakfast will be served between the 8 AM service and the 10 AM service.

**Parish Ed**—Sunday School is coming to an end this month. There is a VBS meeting at St. A's on April 14 at 4 PM. The theme this year is Mars and Beyond.

**Property**—met on March 31. Spring cleaning was a complete success thanks to 29 volunteers. All building ceiling light covers were washed; sanctuary beams were dusted; ceilings and corners of stairwells and rooms were dusted; and window blinds were dusted the week before March 24. Following the service on March 24 all room windows were washed, outside Sunday School windows were washed, narthex windows inside and out were washed twice, woodwork was washed, and south stairwell landing and steps were scrubbed. Pews were washed late afternoon March 24. All building padded stacking chairs were cleaned the week of March 24. Spring landscaping maintenance has been completed. It has been determined that the existing plungers in the 3 bathrooms are inadequate. Ray Zummak will replace those plungers.

**Scholarship**—no meeting

Technology—As a part of our new website, we upgraded our email system from an older platform to Outlook, giving Pastor and Secretary email additional storage and functionality.

Worship & Music--Charlie has been working on redoing the sound system, replacing the mixer with an old one of his that still works, and it seems to be doing a better job of making the volume loud enough to hear without being too loud. He recommends replacing the handheld microphones (they are both quite old and one of them literally fell apart in his hands, so the current ones up front are ones that belong to his band, but they don't have a way to switch them on & off). He recommends getting a model that would be \$35 each piece.

Youth—no meeting

## **Pastor's Report:**

In the last month:

2 home communion visits

1 home visit

1 worship service at Prairie Hills

I attended Synod Day of Renewal on March 14

I attended the Food Pantry Board Meeting on March 21

I attended the NE IA Synod Women's Rostered Leader Retreat

It has been a busy month with JAM, Lent Services, Make-up Confirmation Lessons, and planning for Holy Week worship services, along with the New Consecration Sunday program, the new style of Spring Cleaning Day, and the creation of the Memorial Committee.

I'm very excited about some upcoming things-- we're going to try an All Ages Art Workshop during the Sunday School time on April 14, I'll have canvases and paints and ideas for people to paint Easter images that we will hang around the building for the season of Easter. I'm also excited about doing another Taste of EWALU event on April 28.

On April 29-May 2, I will be attending a continuing education event called Generosity Transformed in Indianapolis. Pr. Mark Anderson from the Synod office will also be going, and he was able to get me a scholarship that covers my tuition for the event and travel expenses.

Summer plans/Vacation Requests:

1. We are going to Minnesota this year June 15-22 (Saturday through Saturday) so I'm requesting that week of vacation. Unfortunately, this is also during Synod Assembly (June 14-16) so I won't be able to go to Synod Assembly this year. June 16 would be my first vacation Sunday for the year.

2. We are going to Family Camp at EWALU on June 28-30, so I am requesting Sunday, June 30 as a vacation Sunday. This would be my 2nd vacation Sunday for the year.

3. We are having a family reunion on August 2-4, so I am requesting Sunday, August 4 as my 3rd vacation Sunday of the year.

## **New Business:**

Ordering new envelopes—Mike Waring will order envelopes for the next church year.

Update on the light at the back of the sanctuary—Dave Peterson will switch out the switch for the bell ringer for a light switch. Dave has the light. Light will be \$120-\$150 to install.

Stripping of the altar—Sara Borland and Maureen Even will be doing this on Maundy Thursday, April 18.

Holy Week Services—this year American Lutheran, United Methodist and First Presbyterian will have services together. Maundy Thursday will be at American Lutheran and Good Friday will be at United Methodist.

Lawn care—Tim Anderson will do the mowing at the church this year. Randy Ruehs will do the thatching at the church and parsonage. Tim Davis Lawn Care will do the lawn fertilizing at the church and parsonage. The cost for the spring and autumn fertilizing is \$218.39. Kaye Jones made

a motion to let these men do the job this year. Mike Waring seconded the motion. Motion carried. Pastor and Charlie will take care of the parsonage lawn this year.

Synod Assembly—Kaye Jones received an invitation to synod assembly. Kaye may be able to be a delegate at the Synod Assembly this year. Sara Borland is considering also going. Synod Assembly is in June.

### **Old Business:**

Recap of cleaning day—everything went well.

Organ repair update—Shirley Bergman was in touch with Alan Wright who had the organ's circuit board from the organ. Alan unsuccessfully tried the circuit board in the organ. He said there was no charge for his work or the capacitor he ordered on the internet because Farnsworth Electronics didn't carry what was needed. Shirley emailed Jim Lohman. Jim returned Shirley's call. Shirley sent the circuit board to him via UPS. He is going to do his best to have it for Shirley by Easter Sunday. Mr. Lohman received the circuit board and said that Alan did a good job of replacing one of the large capacitors. At Shirley's inquiry, Mr. Lohman said the current retail price of that capacitor is around \$13.

Communion—during Lent communion has been served every Sunday. No response had been heard back from the congregation if they do or don't like it this way. We will continue every Sunday thru the Easter Season and then on Pentecost go back to the 1<sup>st</sup> and 3<sup>rd</sup> Sunday of the month.

Correspondence—none

Deacon assignments were given for May.

The next meeting will be held on May 13, 2019.

Wayne Schneider made a motion to adjourn the meeting at 7:56 PM. Kaye Jones seconded the motion. Motion carried.

Respectfully submitted,  
Christy Phillips Secretary

## From Council:

### **Summer is (finally) here!**

We know that means your attendance at weekly worship may be interrupted by family vacations, camping, ballgames and all-around outdoor activities. While we miss you when you're not here - we know how important summer fun can be too! There are a few easy ways to stay in touch with your church family even when you're not here:

- Pastor live streams her sermons on Facebook every Sunday. Be sure to "Like" our page and check it out. Be sure to give the video a like or comment so we know you're watching!
- Keep up to date with the latest events and happenings on Facebook or our website - [www.americanlutheranjesup.org](http://www.americanlutheranjesup.org).
- Church operating expenses continue throughout the summer months, even when attendance is lower. Please consider sending your weekly giving in advance or after your vacation. Or to make things even easier, consider setting up automatic giving so you don't have to even think about it. Find out how by visiting the Support ALC tab on our website - or reach out to Mike Waring, Financial Secretary.
- Sign your kids up to attend or sign up to volunteer for VBS! This annual ecumenical celebration will take place this year at St. Athanasius from July 28-Aug. 1. For more information or to register, click on the link on our website homepage.

Have a safe, fun summer - and we hope to see you soon!
