

Setting up Electronic Giving

There are two easy ways to set up regular electronic giving to American Lutheran Church. Follow the simple steps below to set up what works best for you.

Note: two informational sessions will be held for those who would like help setting up Simply Giving – Sunday, June 3 after worship and Wednesday, June 6 at 6:30 pm in the Fireside Room. If planning to use the app, bring your smartphone and a check with routing and bank account information to the meeting.

Option 1 - Direct deposit from your bank (no fee to you or ALC)

1. Contact your bank to set up direct deposit from your bank account to ALC. You can set up weekly or monthly per your preference. Contact Mary Adams (319-827-3365 or 319-269-3478) for the account number.
2. Confirm with Mike Waring (email fatman75@jtt.net or leave him a note in his mailbox at church) how you'd like your donation allocated. Indicate dollar amount or percentage:
 - a. General Fund
 - b. Benevolence (Mission Support)
 - c. Property/Improvement
 - d. Other _____

Option 2 - Simply Giving (0.6% of total per month + \$0.20 per transaction, charged to ALC)

Choose one of three options to sign up below:

1. Fill out paper form (available at back of church on Deacon Stand) and turn it in with a blank, voided check to Mike Waring.
2. OR download the mobile app (Give + Mobile) on your smart phone and follow on-screen

instructions to set up your account and schedule regular giving. You can select your payment dates and whether you give weekly, bi-weekly or monthly.

Please reach out to Mike Waring, Financial Secretary, if you have questions and thank you for your continued generosity.
